

FERRY SERVICE INTERRUPTION

Caltrans will dry-dock the J-Mack (Steamboat Slough Ferry) to perform US Coast Guard-mandated maintenance service on the vessel. The J-Mack will be out of service from noon on Friday, January 22, 2010 to early March.

Suggested detour:

- ↓ South on State Route 160.
- ← West on State Route 12.
- ↑ North on State Route 84.
- Cross the Cache Slough on the Real McCoy Ferry to Ryer Island.

In the event that the Real McCoy Ferry is out of service, motorists should follow the secondary detour:

- ↑ North on State Route 160.
- ← West on Courtland Road.
- ↓ South on State Route 84.
- ↓ Cross the Miner's Slough Bridge to Ryer Island.

Detour signs will be posted to direct motorists.

Contact Caltrans Public Information Officer Traci Ruth for more information at (510) 622-0120 or traci_ruth@dot.ca.gov.
