

**\*MACARTHUR MAZE/580 DECK COLLAPSE\***

**May 22, 2007**

Progress

- Concrete pour for barrier rail is complete. Tubular rail on top of barrier is being installed.
- Joint seal replacement underway.
- Painting of columns at MB 19 underway.
- Heat straightening continues on 880 girders.

Traffic

- Southbound 880 to be closed each night from tonight through Wednesday between 8 p.m. and 5 a.m. Detour follows eastbound 580 to westbound 980.
- General traffic maintenance on Oakland city streets.
- Traffic preparations, such as removing K-rail and placing cones and delineators, will begin tomorrow so freeway can open by Friday morning.
