## **One-Way Traffic Control for Highway 1 in West Marin County**

**Olema** – Starting Monday, August 8, 2011, Caltrans will implement one-way traffic control on a stretch of State Highway 1 in west Marin County, from six miles north of Panoramic Highway to four miles south of Sir Francis Drake Boulevard in Olema. The traffic control will enable construction crews to repave the highway with a fresh coat of asphalt concrete.

The traffic control will be in effect during weekday hours only. The project is expected to finish in mid-September.
