**Napa**– The California Department of Transportation (Caltrans) will be conducting a tree removal project on Highway 128 near the Moskowitz Reservoir. The project begins at Sage Canyon Road and ends at Capell Valley Road.

The project begins on October 01, 2012 and will continue Monday through Friday for approximately 5 to 7 days. The hours of operation will be 8:00 a.m. to 4:30 p.m.

Traffic delays are anticipated, and the use of alternate routes is advised when possible. Motorists are also advised that traffic violations in construction zones are subject to double fines. Please remember to “Slow For The Cone Zone”. Caltrans would like to thank you for your patience as we work to improve California’s highways.

There will be one-way traffic control during operation.
