FOR IMMEDIATE RELEASE

Full Night Closure on Westbound Route 4 East of I-680/4 for HOV

Concord- On Monday night, March 7, 2005, crews will close all lanes of westbound Route 4 and traffic will be detoured off the freeway at Arnold Industrial Way off-ramp, between the hours of 12:00 a.m. (midnight) and 4:00 a.m. Tuesday Morning, for the purpose of installing an overhead sign structure.

Changeable message signs will advise motorists of the closure and detour signs will direct traffic around the work. Traffic destined for north and southbound I-680 and westbound Route 4 will be directed to turn left onto Arnold Industrial Way and continue west as Arnold becomes Imhoff Drive. From Imhoff Drive, traffic will be detoured left onto Blum Road and south on Blum Road to Pacheco Blvd.

Traffic destined for northbound I-680 will be detoured left onto Pacheco Blvd. and right onto Muir Road and then right on to the eastbound Route 4 on-ramp and east on Route 4 to the northbound I-680 connector ramp.

Traffic destined for southbound I-680 will be detoured left onto Pacheco Blvd. and then turn right onto Muir Road and right onto the eastbound Route 4 on-ramp and then right onto the southbound I-680 connector ramp.

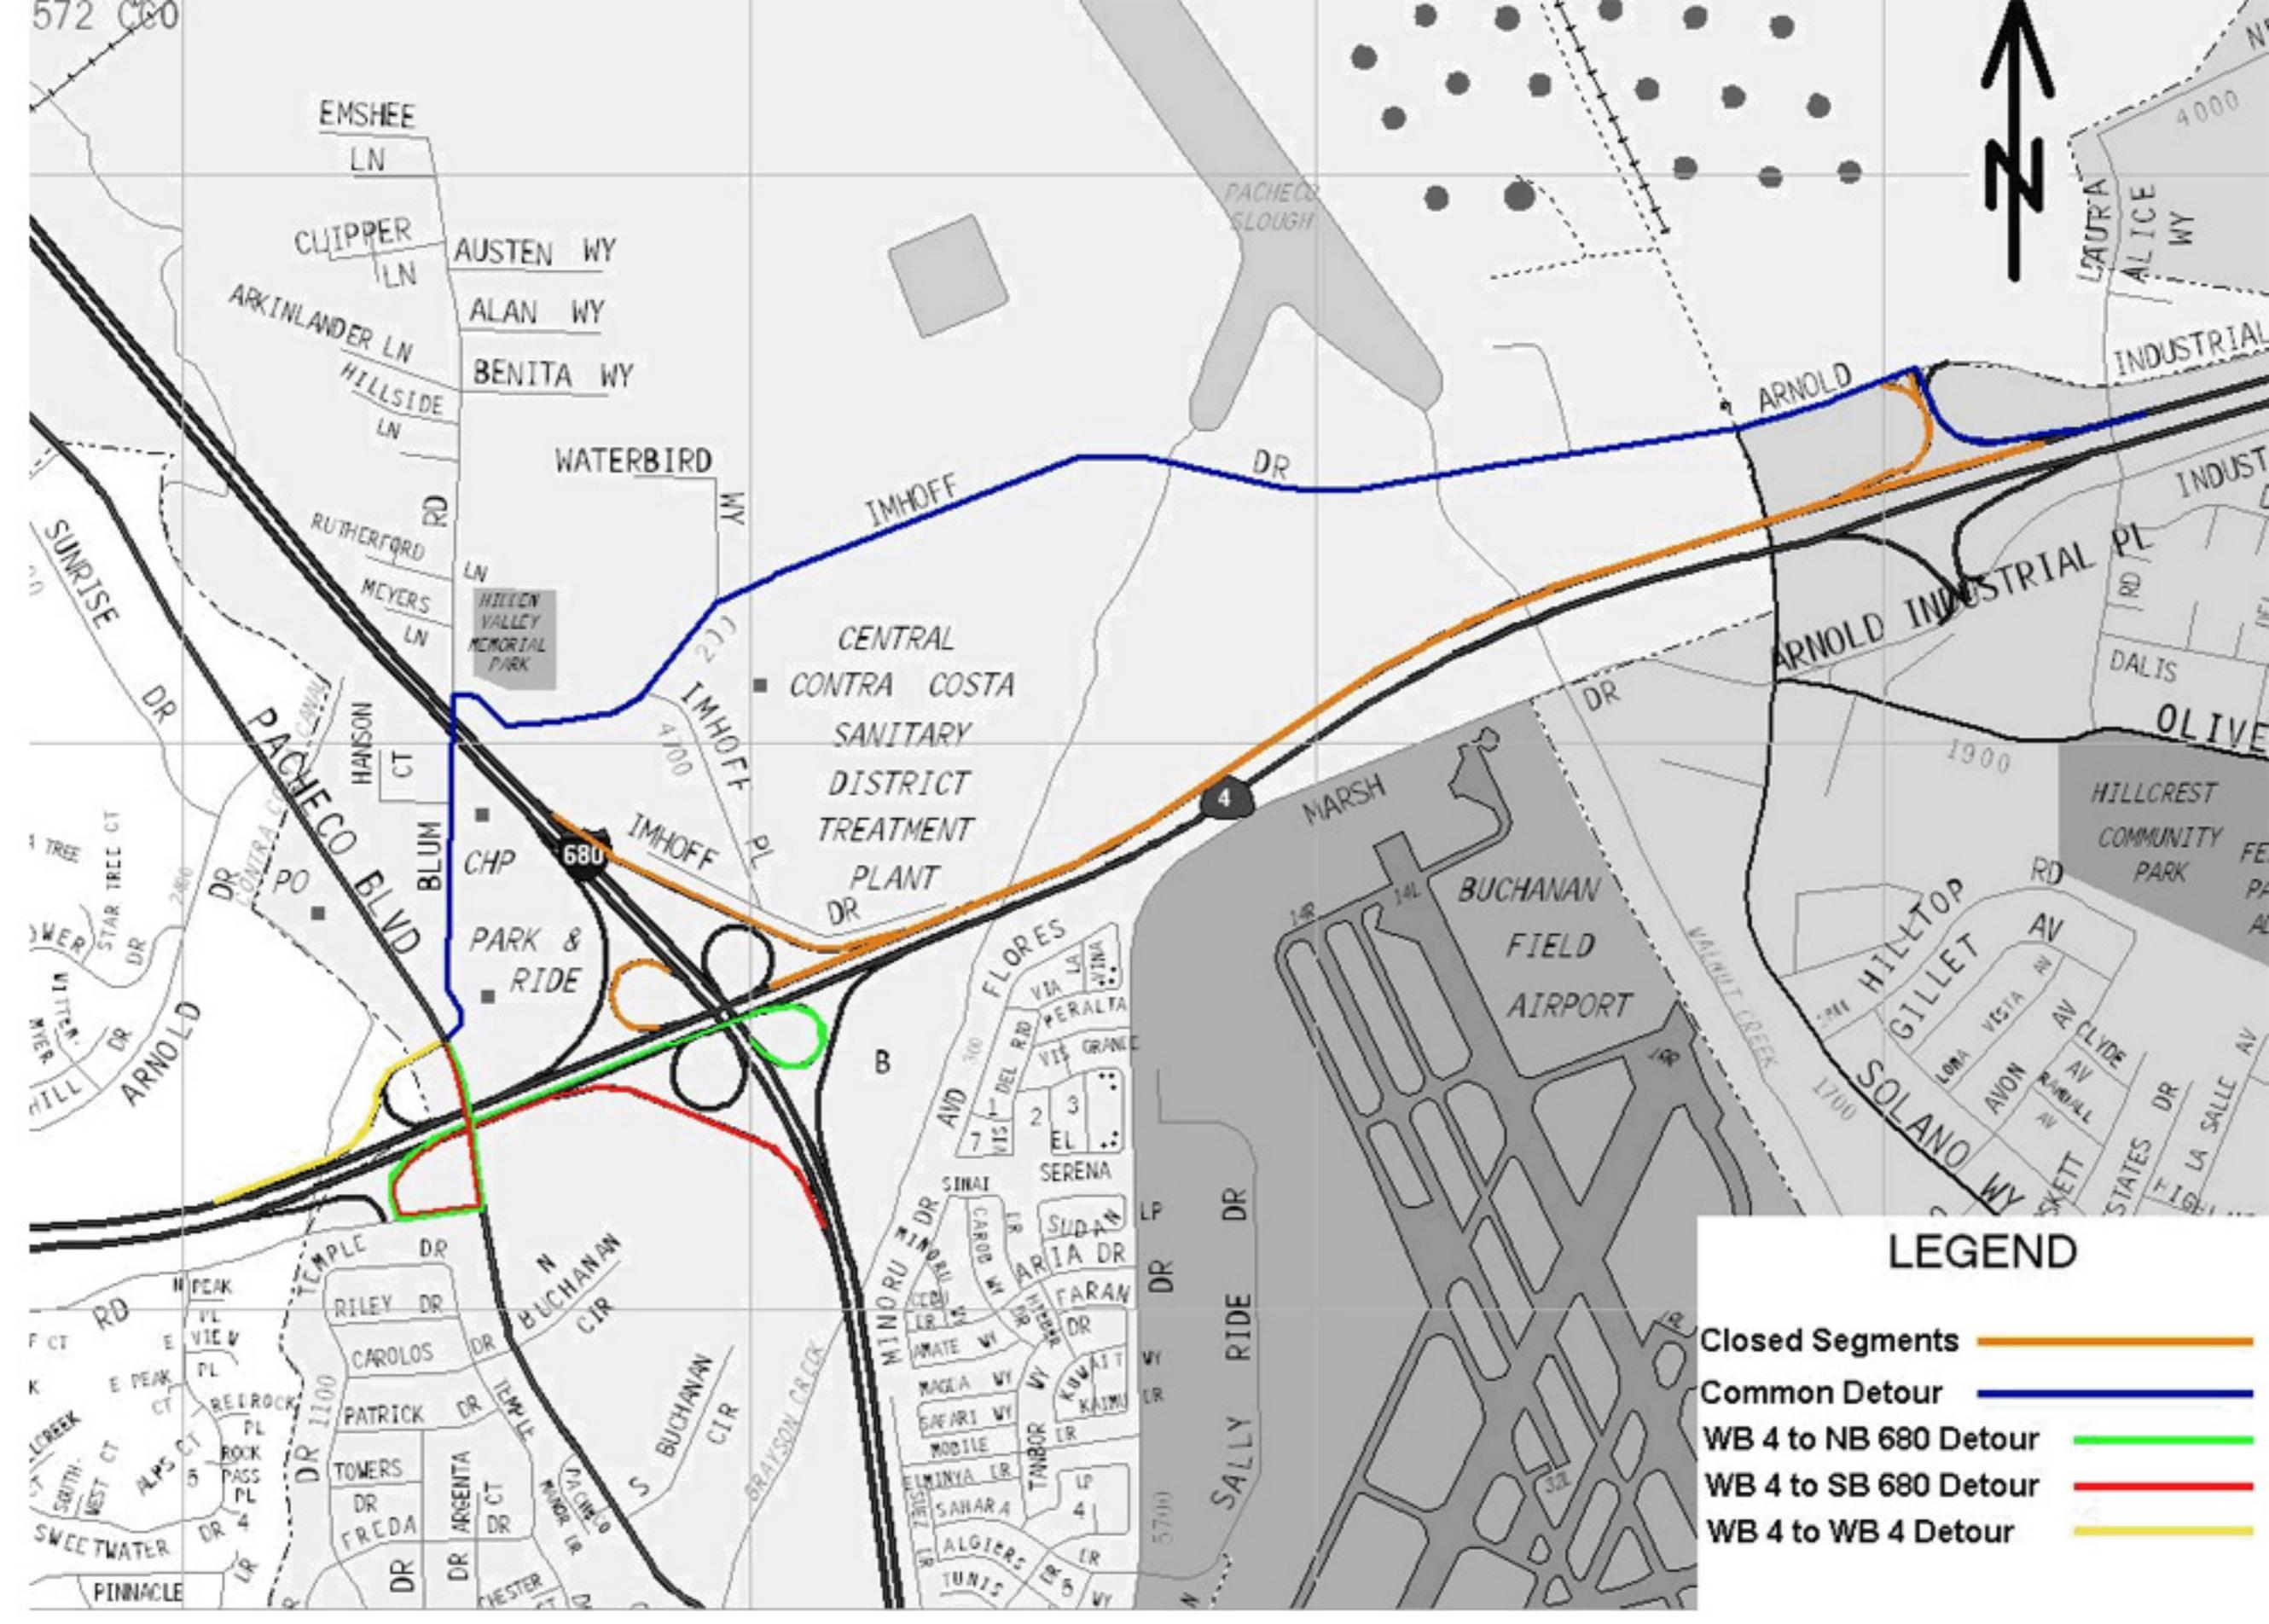

Traffic destined for westbound Route 4 will be detoured straight-across Pacheco Blvd. from Blum Road and onto the westbound Route 4 on-ramp.

Minor traffic delays are anticipated, and use of alternate routes is advised when possible. Motorists are advised to make note of the closure times and to use caution when traveling through the construction zone and detour route.
