**Contact:** Alicia Sequeira  
**Phone:** (510) 286-6115  
**Cell:** (510) 715-9933

**FOR IMMEDIATE RELEASE**

**\*UPDATE\***

## **ONE-WAY TRAFFIC CONTROL ON HIGHWAY 128 FOR SLOPE REPAIR**

**Chalk Hill Valley**– The one-way traffic control for slope repair along Highway 128, three miles east of Chalk Hill Road will continue this Saturday December 15, from 6 a.m. to 6 p.m. Crews are preparing for rain next week.

Slope repair work began Tuesday December 11, which is slated to continue for the next two weeks, weather permitting.

The work will repair the storm damaged slope as well as the maintenance road, which was installed end of 1999, beginning of 2000. Storms in 2003 and 2006 created slides on the maintenance road. Caltrans will be placing rock slope protection reinforcement along with underdrains to allow water to run off the road and into the existing pipe drainage below.

**MOTORISTS ARE ADVISED TO EXPECT DELAYS.**

For more information contact Alicia Sequeira (510) 286-6115.
