**FOR IMMEDIATE RELEASE**

## Emergency Repairs Closure on Highway 1, Sonoma County

**Santa Rosa** - Caltrans has scheduled a daily closure along Highway 1 to repair a broken pipe beneath the pavement. The closures will begin Monday November 19 from 6 am to 6 pm and continue through December 2007. There will be one-way traffic control and is expected to cause delays of up to thirty minutes in either direction.

The repairs are both time and weather sensitive; much of the work is dependent on the daily forecast. Caltrans will inform the commuters of any changes in the closure schedule as necessary.

For the Thanksgiving Day Holiday the closure will be temporarily suspended and the roadway will remain open to traffic. For more information call Alicia Sequeira (510) 286-6115.

**MOTORISTS ARE ADVISED TO PLAN AHEAD AND BE PREPARED FOR DELAYS.**
