FOR IMMEDIATE RELEASE

State Route 29-Channelization Project-Napa County Updates Starting Sunday, November 1

NAPA COUNTY – Caltrans and its local stakeholders have started construction of the State Route 29 (SR-29) Channelization Project in and near St. Helena in Napa County.

Daytime Work

Caltrans and its contractors will perform drainage work and roadway widening work between **Stice Lane and Dowdell Lane** in the Northbound-29 shoulder. Work will be from 7:00 AM to 3:30 PM, Monday through Friday, and will not require lane closures. Lane widths may be reduced in certain areas. No delays to the travelling public are anticipated. No nighttime work is scheduled starting November 1 until November 7.

WEEK STARTING NOVEMBER 8th, 2015

Caltrans and its contractors will underground drainage pipe and install drainage inlets between **Dowdell Lane and Charter Oak Avenue** in the Northbound-29 shoulder. Work will be from 7:00 AM until 3:30 PM, Monday through Friday (including Veteran's Day), and will not require lane closures. Lane widths may be reduced in certain areas for safety.

Nighttime Work

Nighttime operations are currently scheduled for **Monday, Thursday, and Friday nights** during the hours of 7:00 PM to 6:00 AM. One-way traffic control will be in effect. Delays of up to 5 minutes are to be expected. Work will consist of roadway widening paving in the Northbound-29 shoulder.
