FOR IMMEDIATE RELEASE

Third Street Single Lane Closure

Santa Rosa-Caltrans will close one westbound lane under U.S. 101 from 9:00 am to 3:30pm weekdays from Friday, March 17 through Friday, March 23 for curb work. Caltrans will close the lane closest to the curb using orange cones. Through traffic in the eastbound direction will be unaffected. Lane closures on Third Street will begin east of the freeway undercrossing and extend west of the undercrossing.

All local businesses remain open. There will be a detour from Third Street when leaving the mall from the far right-hand lanes. Westbound traffic will be routed north to Morgan Street, west on Fifth Street, south on Davis Street, and back to Third Street.

Crews will remove the existing curb, excavate at the road, build forms for the curb, and pour the concrete for the curb.
