FOR IMMEDIATE RELEASE

Caltrans to Repave Tiburon Boulevard Segment

Tiburon - Starting in late September or early October, Caltrans will begin a repaving project along Tiburon Boulevard, between Mar West and Main Street.

In order to keep traffic delays to a minimum, the repaving will be done at night between the hours of 7:00 pm and 6:00 am. The noisier tasks will finish before eleven p.m. The repaving will also require lane closures, which may lead to traffic delays,

In addition to the repaving, Caltrans is also upgrading the traffic signals at the Beach Road intersection, and is upgrading four sidewalk ramps – two at Beach Road, one at Mar West, and one at Main Street. Work on these tasks will be done during the hours of 7:00 am and 3:30 pm. No lane closures are planned for these tasks. However, portions of the sidewalks will be closed during that time. Pedestrian detours will be posted.

The project is expected to last until mid-October.
