**FOR IMMEDIATE RELEASE**

## Full Freeway Closures Remain in Effect for Southbound I-880

**Oakland** – CHP, Caltrans and the City of Oakland have planned, and will implement the following Southbound I-880 closures and traffic detours. These closures and detours are necessary due to the tanker truck fire on S-880 at 5th Street in Oakland.

Full Freeway closure sites are:

- Eastbound I-80 to southbound I-880 connector from the Bay Bridge
- Westbound I-80 to southbound I-880 connector from Berkeley
- Westbound I-980 at I-580

Detour information is:

- For downtown Oakland traffic: Use I-580 to Grand Avenue or Harrison Street exits
- For Airport traffic: Use I-580 to the 98th Avenue or Edwards Avenue exits
- For Port of Oakland traffic: Use Westbound I-580 to West Grand Avenue or Eastbound I-80 to West Grand Avenue

Repairs to the four lanes will involve grinding, paving, and applying temporary striping. The estimated time of opening is 12 a.m. (midnight).
