FOR IMMEDIATE RELEASE

One-Way Traffic Control on State Route 29 in St. Helena

St. Helena – Caltrans will close one lane of State Highway 29 in St. Helena on February 21, 2012, between the hours of 9:00 am and 2:00 pm, in order to safely remove three diseased trees among the “Tunnel of Elms.” One-way traffic control will be in place during these hours. All work is weather permitting. We expect the tree removal to be completed during that time period.

The closure will be from just north of Pratt Avenue to just south of the Culinary Institute. The three trees will be replaced at a later date.
