FOR IMMEDIATE RELEASE

Construction Project Rescheduled for Webster Tube

Oakland/Alameda – Work at the **Webster Tube** has been rescheduled to begin **Sunday night**. The regular work week for this construction will be Sunday night to Monday morning, 11:30 p.m. to 4:30 a.m., and Monday night to Friday morning, from 10:30 p.m. to 4:30 a.m. During these hours of work, the Webster Tube will be closed and traffic detoured.

This construction project on State Route 260 in the Webster Tube (southbound SR 260) and in the Posey Tube (northbound SR 260) is necessary to remove portions of a fiber reinforced concrete overlay from the ceiling. The project is expected to continue through August 2010.

Detour for Webster Tube (traffic from Oakland to Alameda): Take south Interstate 880 to 23rd Avenue off-ramp and continue to Park Street Bridge to Park Street and follow detour signs.

Once work is completed in the Webster Tube, work will begin in the Posey Tube.

Detour for Posey Tube (traffic from Alameda to Oakland): Local traffic in the City of Alameda will be detoured to the Park Street Bridge. Follow detour signs to I-880 north.

Caltrans thanks commuters for their patience during this necessary work, and asks that drivers “Slow for the Cone Zone.”
