FOR IMMEDIATE RELEASE

LANE SHIFT SCHEDULED FOR STATE ROUTE 12 NEAR RIO VISTA

Solano County – The California Department of Transportation, Caltrans, will reduce traffic to one lane between Lambie Road and the Western Railway Museum on Wednesday, July 14 from 6:00 p.m. to 6:00 a.m. in order to restripe State Route 12 in that area. Once the highway has been restriped, the travel lanes of the highway will be shifted to the north. Motorists are advised to drive cautiously as the highway alignment will be new.

During the one-way traffic control lane closures, vehicles may be stopped on the highway waiting for their turn to proceed through the construction zone. Motorists are asked to drive with extra caution and watch for construction vehicles merging into the lanes of traffic. The speed limit in the construction zone is either 35 mph or 45 mph, depending on the location, and the traffic fines are doubled along State Route 12 in this area. Increased patrol and enforcement from California Highway Patrol Officers is prevalent during construction closures on State Route 12. Please continue to “Slow for the Cone Zone.”
