

## [Useful Resources for Architectural and Engineering Contracts](#)

### **General Information**

General information regarding Caltrans Architectural and Engineering (A&E) Contracts can be found on the following website: <http://www.caltrans-opac.ca.gov/aeinfo.htm>

### **Architectural & Engineering Look Ahead Report**

A listing of the Department of Transportation's proposed Architectural & Engineering and Environmental Contracts, updated monthly, and the anticipated 'state fiscal year quarter' is available at the following website: <http://www.caltrans-opac.ca.gov/doc/lookahed.xls>

### **California State Contracts Register (CSCR) / eProcurement**

The DGS-Procurement Division has launched a new eProcurement (eP) system. Information about the California State Contracts Register (CSCR), the State Contracting and Procurement Registration System (SCPRS), the State's Leveraged Procurement Agreements (LPA's), and SB/DVBE online certification applications have been modified and are only accessible through the new eP website: [www.eprocure.dgs.ca.gov](http://www.eprocure.dgs.ca.gov)

### **Division of Procurement and Contracts A&E Contracts Currently Out to Bid**

This is the Department of Transportation, Service Contracts, webpage. This page allows you to select the type of contract you are interested in and allows you to download bid packages in each of the 19 various contract types. Bid packages are available to download in Adobe PDF format and require Adobe Acrobat Reader to view and print. This web page can be accessed at the following website: <http://www.caltrans-opac.ca.gov/contrac2.htm>

### **Caltrans District 4 Calmentor program**

The mission of the Calmentor Program is to increase the pool of certified firms participating in transportation projects, through partnerships with established firms. Information and links to reports, meeting minutes and meeting schedules can be accessed at the Calmentor website: <http://www.dot.ca.gov/dist4/calmentor/>

### **Professional Liaison Meeting**

The Professional Liaison Meeting is a quarterly outreach meeting held on the last Thursday in January, April, July and October. The meeting provides networking opportunities and information about upcoming A&E contracts to public consulting firms. If you are interested in attending this meeting or if you would like more information about the meeting please contact Marian Faustino @ [Marian\\_faustino@dot.ca.gov](mailto:Marian_faustino@dot.ca.gov) (510) 286-5713.

### **District 4 Small Business Program**

The Caltrans Small Business Program promotes and enhances contracting opportunities with disadvantaged, small, and disabled veteran's business enterprises (DVBE). Information about this program and contracting with the state of California can be found at the following website: <http://www.dot.ca.gov/dist4/smallbusiness/>

### **Construction Mentor Protégé Program**

The Construction Mentor Protégé program is modeled after the Calmentor program. Information is available by contacting Bonny Nyaga @ [bonny\\_nyaga@dot.ca.gov](mailto:bonny_nyaga@dot.ca.gov)

### **Questions**

For further information about the Useful Resources for A&E Contracts page, you may contact Trinity Nguyen, Office Chief of Caltrans District 4 Consultant Services Unit @ [Trinity\\_Nguyen@dot.ca.gov](mailto:Trinity_Nguyen@dot.ca.gov) (510) 286-5087.
