

Agenda

CALTRANS SMALL BUSINESS COUNCIL MEETING
 Wednesday December 15, 2010
 1:00 p.m. – 2:30 p.m.
 District 4 – Executive Conference Room, 15-240
 111 Grand Avenue, Oakland, CA

Participants: Dan McElhinney, Chairperson, District 4, Chief Deputy District Director; Members of the Caltrans Small Business Council; Other Caltrans Management Staff and Guests

Special Guest(s):

Time	Agenda Item	Presenter
1:00 p.m.	Item #1: Welcome/Introductions	Dan McElhinney, Chief Deputy District Director
1:10p.m.	Item #2: Approval of November 2010 Meeting Minutes	Dan McElhinney, Chief Deputy District Director
1:20p.m.	Item #3: District 4 Update A Look Ahead at Upcoming Projects: <ul style="list-style-type: none"> • Construction Projects • Maintenance Projects • Design Projects • Architectural & Engineering Contracts • Toll Bridge • Service Contract over \$5,000 • District 4, Small Business Update 	Bob Finney, Deputy District Director, Construction Stanley Ng, Maintenance Services Branch Chief Lenka Culik-Caro, Deputy District Director, Design Romy Fuentes, District Branch Chief, Transportation Engineer Derek Pool, Toll Bridge Small Business Osayahde Nesbitt, Small Bus. Program George Crosby, Branch Chief, Small Business Program Paul Pendergast
2:10 p.m.	Item #4: Review of Action Items	Brian White, Office Chief, Business Management
2:20 p.m.	Item #5: New Business	Dan McElhinney, Chief Deputy District Director
2:30 p.m.	Adjourn: Next Meeting – February 16, 2011 at 1:00 pm	Dan McElhinney, Chief Deputy District Director

D4 Small Business Council Meeting Minutes

DATE: October 20, 2010

TIME: 1:00- 2:30pm

LOCATION: District 4, Executive Conference Room
111 Grand Ave., Oakland, CA

D4 CALTRANS STAFF PRESENT

Bijan Sartipi, District Director
Dan McElhinney, Chief Deputy District Director
Helena “Lenka” Culik-Caro, DDD, Design
Bob Finney, DDD, Construction
Brian White, DDD, Administration (Acting)
Nigel Blampied, Prog/Proj Mgmt
Kim Byrne, Office of Business Mgmt
George Crosby, Small Business Program
Raasheeba Davis, T.E., Antioch Bridge
Romy Fuentes, Consultant Services
Osayahde Nesbitt, Small Business Program
Stanley Ng, Div.of Maintenance
Derek Pool, Toll Bridge Small Business Prog.

HQ/Agency

Olivia Fonseca, DD, Office of Business and Economic Opportunity (via telephone)

COUNCIL MEMBERS

Arvin Chaudhary, ACEC California
Marie DeLaParra, Oakland AACC
Paul Guerrero, CAL-SBE
Diana LaCome, Nat’l Concilio of America (**ABSENT**)
Eddy Lau, AAAE
Victor Martinez, HCC (**ABSENT**)
Peter Ramirez, SDVOC
Leslie Sakai, AAAE
Jesus Vargas, WTS

GUESTS

MC YU, AAAE
Alex Dobrin, Padilla & Assoc.
Kevin Duggin, 4LEAF, Inc.
Patrick Greenan, CTS
Robert Wong, Aliquot

Item #1: Introductions

District Director Bijan Sartipi welcomed everyone, and the meeting attendees introduced themselves. Mr. Sartipi let the council know that the new State budget was just passed after 100 days of delay and cuts the State’s operation by about 6%, cuts capital outlay by about 7%, and cuts Caltrans’ capital outlay support staff by 642 people. These cuts are posing challenges for Caltrans project delivery. The new budget identifies \$1.1B continuous appropriation for availability payments for the Doyle Drive Project in San Francisco, which is very positive.

Item #2: Approval of Minutes

August 18, 2010 Meeting Minutes:

Motion: Mr. Eddy Lau; Second: Mr. Arvin Chaudhary; Opposed: None; Approved: By consensus

Item #3: District 4 Updates

Construction Update:

Mr. Bob Finney referred to the documents “Forecast of Upcoming Construction Projects in District 4 as of October 14, 2010” and “Awarded Projects in District 4 as of October 14, 2010” to update the council on this topic. Mr. Finney announced that because the state budget has passed, projects are now being awarded in order of bid opening date. In the Advertised and Upcoming Projects section, Mr. Finney highlighted EA #0C8521, a project with a \$17.7M engineer’s estimate and bid opening date of 11/09/10. In the Projects Bid Opened / Currently Awaiting Award section, Mr. Finney brought to the council’s attention three large projects: EA #2285C1 (\$47.9M engineer’s estimate and R&L Brosamer, Inc. as the apparent low bidder); EA #4470U1 (\$66.6M engineer’s estimate and Bay Cities Paving & Grading, Inc. as the apparent low bidder); and EA #1A9801 (\$35.7M engineer’s estimate and RGW Construction, Inc. as the apparent low bidder). In the Projects Awarded section, Mr. Finney reported on the goals for these three projects: EA #0A5321 awarded to O.C. Jones & Sons, Inc. for \$3.8M has a 0% UDBE goal and was certified at 10.2% UDBE; EA #0A8711 awarded to

Modern Alloys, Inc. for \$992,599 has a 13% UDDBE goal and was certified at 13.4% UDDBE; and EA #2A1401 awarded to American Civil Constructors West Coast, Inc. for \$5M has a 8% UDDBE goal and was certified at 0.09% UDDBE. Mr. Paul Guerrero reiterated the council's request for a count of the DBE participation, and Mr. Finney distributed to the council a Caltrans Bidder - UDDBE - Commitment form for contract #04-294914 [NOTE: see pages 30 and 31 of the October SBC meeting reports document located at: <http://www.dot.ca.gov/dist4/smallbusiness/docs/council/102010/mtgdocs.pdf>]. Mr. Guerrero said that he wanted to see DBE participation, not UDDBE. Without tracking the DBE participation, it is impossible to judge actual utilization. Mr. Sartipi asked Ms. Fonseca if her office is tracking this information, and Ms. Fonseca said that it is. Mr. Sartipi asked if this information is publically available right now, and Ms. Fonseca said that it is not currently publically available. Mr. Guerrero asked for a report at the November meeting for statewide DBE utilization, and Ms. Fonseca said she would present the FFY 2010 results. Mr. Finney noted that DBE information is voluntarily provided by contractors if at all, and Ms. Fonseca said that her information was collected after award. Mr. Lau asked if contractors could be required to submit DBE information at bid time, and Ms. Fonseca said that she did not have a solid answer: Caltrans does ask contractors to provide this information at award. For condition of award, UDDBE information is required, but providing DBE is not a condition of award; it is requested after award. Ms. Fonseca said that she would have to consult with Caltrans lawyers to see if contractors could be mandated to provide DBE information at bid time. Mr. Sartipi added that the issue would be twofold: on one hand, there is the legal component, and on the other hand, there is the resource component. In these tough economic times, it might be overburdening to ask contractors to do more tasks that are not part of the contract, considering contractors have been underbidding and their margins are getting slimmer and slimmer. Mr. Guerrero said that he would also like to know from Caltrans attorneys if there is authority for Caltrans to count overflow of UDDBE towards DBE, and Ms. Fonseca said that the regulations say that the State is supposed to do that, but Mr. Guerrero disagreed. Regarding the Awarded Projects in District 4 report, Mr. Lau noted that American Civil Constructors West Coast, Inc. had very poor certified DBE and DVBE percentages on their 3 contracts: EA #0E7201 had a 5% DVBE goal but was certified at only 0.07%; EA #2A1401 had an 8% DBE goal but was certified at only 0.09%; and EA #0E7701 had a 5% DVBE goal but was certified at only 0.04%. Mr. Lau observed that American Civil Constructors West Coast, Inc. was not fulfilling the intent of the program, in essence cheating the system. Mr. Sartipi said that he will discuss this with Mr. Finney on what can be done.

Maintenance Update:

Mr. Stanley Ng referred to the documents "District 4 Emergency Contracts-Small Business Utilization FY 10/11 Report (dated 10/13/10) - Director's Orders Force Account", "District Director's Orders Force Account FY 10/11" and "Director's Orders Informal Bid FY 10/11", and "Doyle Drive Relocation FY 10/11 (9/24/10)" to brief the council on this topic. Referring to the Director's Orders Force Account, Mr. Ng said that of 4 contracts totaling \$9.1M, 3% were awarded to SBEs and 97% to Non-SBEs. Mr. Ng noted that after the report went to print, an \$800,000 contract was awarded to Flat Iron West. Because the 2 larger contracts are not conventionally sized, Mr. Ng said that Maintenance plans to report on subcontractor expenditures similar to the Doyle Drive report. Referring to the Director's Order detail chart, Mr. Ng noted that EA #1G8104 was a new addition since last month, and SBE/DBE prime contractor GD Nielson and subcontractors Smith Concrete Cutting and SBE Sierra Striping had been added to the information for EA #1G3204. Referring to the District Director's Force Account, of 2 contracts totaling \$500,000, 50% have been awarded to an SBE and 50% have not been awarded yet. Both of these contracts are new additions since the last meeting. Referring to the District Director's Order detail chart, EA #1F3705 has been awarded to SBE Valentine. Referring to the Director's Informal Bid, Mr. Ng reported that of 1 contract totaling \$469,000, 100% had been awarded to an SBE and 0% to Non-SBEs. EA #0G4014 is new since last meeting and was awarded to SBE Cimarron. Referring to the Doyle Drive Utility Relocation, of the new budget \$20.5M, \$19.8M has been spent. 34% has been paid to SBEs, 61% paid to Non-SBEs, and 4% paid to DVBEs, with 1% of the funds remaining. Mr. Chaudhary asked if Mr. Ng would report using EFIS numbers in addition to EA numbers if available, and Mr. Ng said that these contracts would not show up in BidSync. Mr. Sartipi said that as contracts are advertised using EFIS numbers

the reporting would reflect these. Mr. Sartipi reiterated to the council that this contract was tracked in this way because, although it was awarded to a Non-SBE prime contractor, the prime and Mr. Sartipi made a commitment to bring SBE, DBE, and DVBE subcontractors into this contract. Mr. Sartipi said that the SBE and DVBE participation in the Doyle Drive Relocation project reflects this commitment. Mr. Sartipi thanked the D4 SBC for keeping his feet to the fire and the prime contractor for listening and trying to address Caltrans' needs. He said that he wanted to make sure that he recognized these efforts. Mr. Finney noted that Mr. Mike Ghilotti is a member of the Small Business Subcommittee and is a leader in commitments and goals. Mr. Lau observed that although the prime Ghilotti Brothers was paid only \$672,000, Ghilotti Construction had been paid \$2.3M and Maggiora Ghilotti had been paid \$3.7M. Mr. Finney said that these subcontractors were Mike Ghilotti's cousins. Mr. Sartipi reminded the council that this was an emergency contract with a limited bid. Mr. Lau wondered why that, as a prime, Ghilotti Brothers is not getting a substantial portion of the work. Mr. Finney said that much of this work was electrical and suited to Maggiora Ghilotti. Mr. Guerrero asked if Caltrans required the prime on this contract to do a substantial portion of the work, and Mr. Sartipi said that there is standard specs for this.

Design Update:

Ms. Lenka Culik-Caro referred to the reports "Proposed Minor B Projects for Small Business, FY 10/11 (October 2010)" and "Proposed Projects under \$250K Not Funded From the Minor B Program To Be Advertised Under the Small Business Process FY 10/11" to brief the council on this topic. She noted that all changes since last month are in blue colored font. Referring to the Proposed Minor B Projects report, Ms. Culik-Caro updated the council that regarding EA #2L3200 the proposed estimated cost had gone down from \$60K to \$43K and the PS&E was expected to go to DPAC in October rather than September. There are 10 prospective contractors that have been identified for this project. Regarding EA#2L3200, Ms. Culik-Caro noted that the PS&E package was completed on 9/16/10, and 7 prospective contractors have been identified for this project. Regarding the Proposed Projects Under \$250K report, Ms. Culik-Caro identified 4 contracts that would be funded from the CTC, rather than by the Minor B Program, but would still follow the same simplified process: #4S140 for \$250K with a CTC Target Vote date of May 2011; #4S480 for \$229K with a CTC Target Vote date of January 2011; #4S490 for \$115K with a CTC Target Vote date of January 2011; and #4S500 for \$160K with a CTC Target Vote date of January 2011, for a total of \$754K. Because the funding comes from the CTC, the PS&E package will not be processed by DPAC until the CTC commission votes. Ms. Culik-Caro clarified that the column called "PS&E to DPAC" identifies the dates that Caltrans will submit the PS&E packages to DPAC even though in each case the packages will not be processed by DPAC until after the CTC vote. Mr. Sartipi highlighted that the Proposed Projects Under \$250K report is an important addition to the monthly Design report to the council. Although it is not funded by the Minor B Program, the decision was made to use the simplified process because the contract falls within the Minor B limit and because the simplified process is faster and favors small businesses.

A&E Update:

Mr. Romy Fuentes referred to the following reports dated 10/14/10 to brief the council: "Recently Executed A&E Contracts", "Recently Executed Non-A&E Contracts", "Upcoming New A&E Contracts", and "Upcoming New Non-A&E Contracts." He also referred to the following quarterly reports dated 8/5/2010: "Federal Funded Contracts – DBE (RNDBE & UDBE) Status" and "Non-Federal Funded Contracts – SBE/DVBE Status Update." Mr. Fuentes said that there were no changes to the "Recently Executed A&E Contracts" and "Recently Executed Non-A&E Contracts" reports since the last meeting due to the budget impasse. Referring to the "Upcoming New A&E Contracts" report, Mr. Fuentes highlighted 8 contracts that had completed advertisement and were moving towards contract execution in either October or November: #04A3544 (formerly #04NEW346-10) for \$5M with 100% SBE goal and 5% DVBE goal (top ranked consultant: SBE Ghirardelli & Assoc.); #04A3553 (formerly #04NEW340-10) for \$1.2M (top ranked consultant: Stantec); #04A3574 (formerly #04NEW321-09) for \$2M (top ranked consultant: URS); #04A3575 (formerly #04NEW322-09) for \$2.25M (top ranked consultant: Towhill); #04A3578 (formerly #04NEW341-

10) for \$3M (top ranked consultant: Geocon); #04A3576 (formerly #04NEW353-10) for \$3M (top ranked consultant: DBE TRS); #04A3572 (formerly #04NEW355-11) for \$1.5M (top ranked consultant: Psomas); and #04A3573 (formerly #04NEW356-11) for \$4.5M (top ranked consultant: Psomas). Mr. Fuentes said that there were two contracts that would be advertising in November: Districtwide Construction Environmental Engineering & Inspection contract #04NEW357-11 for \$3M and Districtwide Environmental Impact Analysis contract #40NEW345-10 for \$4.5M. Mr. Fuentes reported that there were two “Upcoming New Non-A&E Contracts advertising in November both with TBD contract amounts: #04NEW351-11 for SBE/ DBE/ DVBE Staff Support for the Toll Bridge Program Office of Small Business (RFP) and #04A3570 for On Call Emergency Haz-Waste Site Investigation in Construction (Invitation for Bid/ IFB). Regarding #04A3576, Mr. Lau said that he had heard that TRS was sold to Hill International and he asked how TRS could still retain DBE status. Mr. Fuentes said that he had heard that TRS was bought out by Hill, but Hill would be using TRS for this contract. Mr. Vargas asked whether a contract could be still counted as awarded to a certified DBE if the DBE subsequently loses its DBE status, and Mr. Fuentes said that he asked the contract manager and the contract manager said that the contract would still be counted as awarded to a DBE. Mr. Lau asked Ms. Fonseca at what point did TRS lose its DBE status, and Ms. Fonseca said that TRS lost its DBE status once the ownership changed. Mr. Chaudhary clarified that this was about a year ago. In response to Mr. Lau’s question, Ms. Fonseca said that Caltrans counts towards the DBE goal the dollar value that TRS performed prior to the acquisition. Once the business ownership changed and the DBE certification was lost, future dollars are not counted. Mr. Lau said that the contract was not yet awarded, and Mr. Sartipi said that Caltrans would have to look into this matter. Mr. Sartipi clarified that if the contract was awarded and 50% of the contract dollars were spent prior to the acquisition, then half of the contract amount would be counted toward the DBE goal and the other half would be considered awarded to the new prime contractor and would therefore be considered 100% non-DBE. Mr. Sartipi said that if contract #04A3576 (formerly #04NEW353-10) is not yet awarded and the condition of the award is that the prime contractor is a DBE, then Caltrans has to take a look at that, because the DBE TRS may not exist anymore. Mr. Sartipi wondered if Caltrans had entered the contract with TRS (TRS still being an entity) or if Caltrans entered into a contract with Hill International (TRS not being an entity anymore). Mr. Fuentes said that he thought that TRS was a subsidiary of Hill International, and Mr. Sartipi said that he wanted Legal to review this matter. Ms. Fonseca said that on her end, TRS still shows as a DBE consultant without change in ownership, and if there has been a change in ownership, TRS must be removed from the certification. She would verify these matters [Action Item #1610]. Mr. Chaudhary asked to see a scope of work for each of the upcoming new contracts, and Mr. Fuentes said that he would check with the contract managers and there would be a liaison meeting soon. Mr. Chaudhary asked to have a short presentation to the council, and Mr. Sartipi said that it would be better to have the presentation made at the liaison meeting because there would be a bigger crowd. Mr. Sartipi asked what was the timeline for advertisement for these contracts, and Mr. Fuentes said that 4 of the 6 were scheduled to advertise in November. Mr. White offered to distribute via email to the council the scopes of work if Mr. Fuentes could send those to him. Mr. McElhinney clarified that the Professional Liaison’s Meeting was scheduled for October 28th at 1pm and this matter was already on the agenda. Mr. Vargas pointed out that the estimated contract execution year should be 2011 for the Upcoming New Non-A&E Contracts, and Mr. Fuentes said that that was an error. In response to Mr. Vargas’ question, Mr. Fuentes confirmed that #04A3570 was a construction contract aimed contractors, and added that it was an invitation for bid that is expected to be a multi-award contract. Referring to the "Federally-Funded DBE (RNDBE and UDBE) Status Quarterly Update" report, Mr. Fuentes said that the Proposed Overall % RNDBE was 18% and the Overall % RNDBE Achieved to Date was 0%; the Proposed Overall % UDBE was 12%, and the Overall % UDBE Achieved to Date was 92%; and the Proposed Overall % DBE was 24%, and the Overall % DBE Achieved to Date was 26%. He noted that for the first 16 contracts, the old reporting method is being used (total DBE reporting only), and for the remaining 11 contracts, the new reporting method is being used (UDBE and RNDBE reported separately). Mr. Fuentes also pointed out that these 10 of the 11 are new contracts, so the dollar values have not been reported yet: only contract #04A3350 was advertised after July 1, 2009 and has begun. Therefore, this contract is the only contract that has reportable UDBE achievement. Mr. Lau asked that Mr. Fuentes provide more detail at the next meeting in the “Type of Work” column for contract

#04A2944 and #04A2945. Mr. Vargas noted that throughout the report Chaudhary & Associates should be identified as an SBE, and Mr. Fuentes said that he would correct that error. Referring to the "Non-Federally Funded - SBE/DVBE Status Update" report, Mr. Fuentes said that the Average Proposed % DVBE was 5% and the Overall % DVBE Achieved to Date was 4%; and the Average Proposed % SBE was 30% and the Overall % SBE Achieved to Date was 24%. While the DVBE achievement and SBE achievement are shy of the goals, most of the contracts are fairly new and there is still time to increase achievement. Mr. Sartipi noted that contract # 04A2871 had also been awarded to DBE/SBE TRS Consultants, Inc. and he noted that contract # 04A2871 is a different question the contract was awarded before TRS was bought by Hill International. Mr. White clarified that only payments to TRS before the sale to Hill International could be counted towards the achievement. Mr. Vargas pointed out that the DVBE achievement was lacking.

Action Item #1610 for **Ms. Olivia Fonseca**

Toll Bridge Program Update:

Mr. Derek Pool referred to the Toll Bridge Small Business Program "SB/DVBE Project Commitment and Attainment Report Summary – D4 Council Member Summary (October 20, 2010)" to brief the council on this topic. Mr. Pool introduced to the council to Ms. Raasheeba Davis, a transportation engineer who will be working on the Antioch Bridge contract. Mr. Pool said that there would not be a report for the Dumbarton Bridge contract because today was the first working day. Next week is the partnership event for this project. Mr. Pool said that there also weren't updates available for the SAS contract. Mr. Pool reiterated that AB/F had requested that its SBE subcontractor participation be better reported to the council. Mr. Pool reminded the council that Mr. Jesus Vargas had asked Mr. Pool to provide the number of contractors who have received 17% of the work for the \$148M augmentation of the SAS contract, and Mr. Pool said that the Toll Bridge Program had not completed its validation of these numbers. Mr. Pool said that he would continue pursuing this information [Action Item #1510]. Regarding the Antioch Bridge Seismic Retrofit, Mr. Pool reported that subcontractor Del Secco Diamond Core & Saw, Inc. is showing an expired SB certification on the DGS website, and Toll Bridge Small Business Program is investigating this. Mr. Pool highlighted that subcontractor H.T. Harvey & Associates attended the bidder's conference and met prime CEC, and Mr. Pool said that this award is a direct result of that interaction. Mr. Pool noted that the Toll Bridge Program is conducting close out activities for the Oakland Touchdown and YBI Detour contracts and reports are not yet available. Regarding the YBITS1 contract, Mr. Pool reported that there were 10 new subcontracts during the August 15th to October 15th time period awarded to: Local SB/DVBE Alliance Gas, Local SB/DBE Arroyo Trucking, Local SB Curtis & Thompkins, Local SB/DBE Dillard Environmental, Local SB/DBE LaBat's Tree Care, Local SB M&M Sanitary, SB Pisor Fence, Local SB Quake City Shuttle, SB/DBE RCJ Associates, and SB Selby's Erosion Control. Mr. Pool corrected the report in that there are actually 7 DBEs.

Action Item #1510 for **Mr. Derek Pool**

Proposed Service Contracts over \$5K Report:

Mr. Osayahde Nesbitt referred to the document "Proposed Service Contracts Over \$5K (Maintenance, Administration & Right of Way, 10/19/10)" and "Overview for Proposed Service Contracts over \$5K (10/19/10)" to update the council. Mr. Nesbitt said because of the budget being passed service contract activity is increasing. He reported that contract #04A3539 and contract #04A3540 had both gone out to bid, with bid due dates of 10/25/10 and 10/19/10, respectively. Mr. Nesbitt said that contracts #04A3598, #04A2802, and #04A3442 are in DPAC being processed. Mr. Nesbitt said that there are 6 new contracts added to the report. Mr. Nesbitt alerted the council that service contracts are now available for viewing at the following web address: <http://www.bidsync.com> and would no longer be available on the DPAC website.

D4 Small Business Update:

Mr. George Crosby updated the council on this topic. Mr. Crosby reported from Mr. Paul Pendergast that as of 10/20/10, just over \$50M has been paid out, and, of that, 22.78% has gone to SBE/DBE/UDBE/DVBE firms. Mr. Crosby drew the council's attention to the flyer for the City & County of San Francisco's and the Office of Economic & Workforce Development's MegaConstruction/ MegaConnection event, billed as a one stop shop to 9 of San Francisco's largest construction projects, on October 27, 2010 from 5pm to 7:30pm at the San Francisco Design Center. Mr. Crosby said that the council should have received emails regarding this event. He also pointed out the flyer for the 2010 CPUC/ PG&E 2010 Small Business Expo on December 1, 2010 from 7am to 1pm at the Oakland Asian Cultural center in Oakland. Regarding the MegaConstruction/ Mega Connection flyer, Mr. Guerrero said that High Speed Rail is not committed to small business, and Mr. Sartipi clarified that the flyer says that agencies within the City and County of San Francisco are committed to small business. Mr. Sartipi noted that he thought the MegaConstruction/ MegaConnection event would be exciting and the projects are very significant. Mr. Sartipi said that Caltrans would be there with its P3 project, and the P3 Phase 2 portion of the Doyle Drive contract will have a public hearing on October 21 in the Presidio. A Notice of Intent to Award has already been issued. Mr. Lau said that he was surprised that CPMC Cathedral Hill Hospital and St. Luke's Hospital Projects were included in the MegaConstruction/ Mega Connection event.

Item #4: Review of Action Items

There were no action items but there were issues for follow up from the August 18 meeting, which Mr. White read into the minutes: **1)** *"Ms. LaCome asked Ms. Condie to provide the contract itself for EA #1A5221 so that the council can check and see if the incentive language is mentioned."* Mr. Crosby noted that included in the packet was a handout from the Division of Construction showing the incentive language for EA #1A5221 that was requested by Ms. LaCome. **2)** *"On another topic, Mr. Lau asked where the commitment on DBE subcontracts on the Caldecott Tunnel project could be found...Mr. Sartipi clarified that Mr. Lau wanted the list that comes in with the bid of the official subcontractors to meet the goal, which is more than one half of one percent."* Mr. Guerrero asked for a report at the November meeting for statewide DBE utilization, and Ms. Fonseca said she would present the FFY 2010 results [NOTE: see page 2]. **3)** *"Regarding the Doyle Drive report, Mr. Scott Shields asked if a decision had been made about Phase 3 of Contract 2, and Mr. Sartipi responded that there was no one at the meeting who was close enough to the job to answer but he would get Mr. Shields an answer."* (Identified as **Action Item #1310** on 10/20/10). **4)** *"Regarding 04-NEW338-11, Mr. Jesus Vargas asked if this work would be added to another contract, and Ms. Nguyen said that it would be done via contract change order. Mr. Vargas asked if the contract hadn't been removed, would it have had SBE or DVBE goals. Mr. Sartipi said that the project has federal funding so DBE would be the only option. Mr. Vargas asked if there is an intention to use DBEs, and Ms. Nguyen said that she would follow up on this."* (Identified as **Action Item #1410** on 10/20/10). **5)** *"Regarding contract #04A3553, Mr. Lau asked what kind of goal was attached since the report shows TBD, and Ms. Nguyen said that it was federal, so that it would typically have a RNDBE goal of 6.75% and a UDBE goal of 6.75%. Ms. Nguyen said that she would check for updated information on this contract."* Mr. Fuentes provided update information on 10/20/10. **6)** *"Mr. Jesus Vargas asked Mr. Pool to provide the number of contractors who have received 17% of the work for the \$148M augmentation of the SAS contract."* (Identified as **Action Item #1510** on 10/20/10).

Item #5: New Business

Mr. Sartipi asked the council if there was interest in having a December meeting, and the council said that they wanted to meet. Mr. Guerrero asked to have the 2011 D4 SBC meeting schedule. Mr. Vargas announced that there would be a Women's Transportation Seminar Panel Discussion workshop on November 17th at 5:30pm at Scott's Restaurant. Mr. Dan McElhinney will be a featured speaker.

Item #6: Adjourn

Mr. Sartipi adjourned the October meeting and announced that the next D4 SBC meeting would be on December 15, 2010, from 1pm to 3pm in the Executive Conference Room (15-240).

District 4 Small Business Council Action Items as of October 20, 2010:

No.	Item	Assignee	Date	Status
1310	Regarding the Doyle Drive report, Mr. Scott Shields asked if a decision had been made about Phase 3 of Contract 2, and Mr. Sartipi responded that there was no one at the meeting who was close enough to the job to answer but he would get Mr. Shields an answer.	Mr. Bijan Sartipi	8/18/10	Ongoing. NOTE: At the 10/20/10 meeting, Mr. Shields' 8/18/10 request was identified as an action item
1410	Regarding 04-NEW338-11, Mr. Jesus Vargas asked if this work would be added to another contract, and Ms. Nguyen said that it would be done via contract change order. Mr. Vargas asked if the contract hadn't been removed, would it have had SBE or DVBE goals. Mr. Sartipi said that the project has federal funding so DBE would be the only option. Mr. Vargas asked if there is an intention to use DBEs, and Ms. Nguyen said that she would follow up on this.	Ms. Trinity Nguyen	8/18/10	Ongoing. NOTE: At the 10/20/10 meeting, Mr. Vargas' 8/18/10 request was identified as an action item
1510	Mr. Jesus Vargas asked Mr. Pool to provide the number of contractors who have received 17% of the work for the \$148M augmentation of the SAS contract.	Mr. Derek Pool	8/18/10	Ongoing. NOTE: At the 10/20/10 meeting, Mr. Vargas' 8/18/10 request was identified as an action item; and Mr. Pool said that the Toll Bridge Program had not completed its validation of these numbers. Mr. Pool said that he would continue pursuing this information.
1610	Mr. Sartipi said that if contract #04A3576 (formerly #04NEW353-10) is not yet awarded and the condition of the award is that the prime contractor is a DBE, then Caltrans has to take a look at that, because the DBE TRS may not exist anymore. Mr. Sartipi wondered if Caltrans had entered the contract with TRS (TRS still being an entity) or if Caltrans	Ms. Olivia Fonseca	10/20/10	New

<p>entered into a contract with Hill International (TRS not being an entity anymore). Mr. Fuentes said that he thought that TRS was a subsidiary of Hill International, and Mr. Sartipi said that he wanted Legal to review this matter. Ms. Fonseca said that on her end, TRS still shows as a DBE consultant without change in ownership, and if there has been a change in ownership, TRS must be removed from the certification. She would verify these matters.</p>

District 4 Small Business Council Items Deferred to Statewide Council as of October 20, 2010:

No.	Item	Assignee	Date	Status
1706s	DDD Hess will examine existing web-based registration for contractors with Office of Civil Rights	Ms. LaCome	4/12/06	Ongoing
3206s	Elevate the concerns of the District 4 Small Business council regarding Caltrans" plan to implement the new insurance limits on January 1, 2007.	Ms. LaCome	9/13/06	Ongoing
2008s	Reevaluation of the Good Faith Effort (GFE) Process for DBE and DVBE Outreach by HQ Civil Rights	Ms. LaCome	4-16-08	Ongoing
2508s	Mr. Guerrero wanted to know how quickly newly certified small businesses-- who submit their names "via the web"--- get on D4 Maintenance's Emergency Contact Information list	Mr. Guerrero	4-16-08	Ongoing
2908s	Mr. Guerrero requested that that all of the action items deferred to Statewide SBC be followed up on and that the Statewide SBC report back to the D4 SBC as to how these action items have been dealt with or resolved.	Mr. Guerrero	4-16-08	Ongoing <u>6/16/10 Update:</u> Mr. Guerrero said that he would follow up on this action item. Mr. White reminded the council that the Statewide Action Items are assigned to individual D4 SBC members and it is their responsibility to follow up and report back to the D4 SBC.
1009s	Mr. Guerrero requested that the HQ Office of Civil Rights ensure that DVBE goals are included in all state-funded projects.	Mr. Guerrero	1-21-09	Ongoing
1709s	Caltrans does not track DBE participation (only UDBE), at the end of the year it would report -0- participation. If you achieve -0- participation by race neutral means, and fail to meet the race neutral goal, you have to go to a race conscious goal. Is this correct?	Mr. Guerrero & Mr. Camacho	6-17-09	Ongoing

"s" designates a Statewide SBC action item

2010 District 4 Small Business Council Meeting Schedule

All meetings will be held in the **Executive Conference Room, 15-240**, unless otherwise noted.

* As of April, D4's meetings will be held every other month.

Month	Date & Time
December	Wednesday, December 15, 2010 1:00 pm – 3:00 pm

2010 D4 SBC schedule can also be found at <http://www.dot.ca.gov/dist4/smallbusiness/sbc.htm>

2011 District 4 Small Business Council Meeting Schedule

All meetings will be held in the **Executive Conference Room, 15-240**

Month	Date & Time
February	Wednesday, February 16, 2011 1:00 pm – 2:30 pm
April	Wednesday, April 20, 2011 1:00 pm – 2:30 pm
June	Wednesday, June 15, 2011 1:00 pm – 2:30 pm
August	Wednesday, August 17, 2011 1:00 pm – 2:30 pm
October	Wednesday, October 19, 2011 1:00 pm – 2:30 pm
December	Wednesday, December 21, 2011 1:00 pm – 2:30 pm

2011 District 4 Small Business Council Meeting Schedule
All meetings will be held in the Executive Conference Room, 15-240

Month	Date & Time
February	Wednesday, February 16, 2011 1:00 pm – 2:30 pm
April	Wednesday, April 20, 2011 1:00 pm – 2:30 pm
June	Wednesday, June 15, 2011 1:00 pm – 2:30 pm
August	Wednesday, August 17, 2011 1:00 pm – 2:30 pm
October	Wednesday, October 19, 2011 1:00 pm – 2:30 pm
December	Wednesday, December 21, 2011 1:00 pm – 2:30 pm

**Toll Bridge Small Business Program
 SB/DVBE PROJECT COMMITMENT AND ATTAINMENT REPORT SUMMARY
 DECEMBER 15TH, 2010**

**D4 Council
 Member
 Summary**

Project: OTD1

Prime Contractor: MCM

Current Contract Value: **\$195,878,633.33**. (Source: Caltrans Resident Engineer)

No new subcontracts to report on during this period (October 15th – December 15th, 2010).

Total SB/DVBE/DBE Contractor Commitments: **\$52,569,891.94**. (This represents an *increase* of **\$46,306.78** from \$52,523,585.16 previously reported.)

Of the total commitment dollar value (\$52,569,891.94), **\$36,347,577.36 is committed to Local SB/DVBE firms.** (No change from previous reporting period.)

Total Dollars Paid to Date:		Total Dollars Paid this Reporting Period: (4Q) (October 15, - December 15, 2010)	
SB Payments:	\$ 43,131,051.38	SB Payments:	\$ 366,724.42
DVBE Payments:	\$ 6,141,599.23	DVBE Payments:	\$ 0.00
Total SB/DVBE Payments:	\$ 49,272,650.61	Total SB/DVBE Payments:	\$ 366,724.42
Local SB/DVBE Payments:	\$ 35,438,338.49	Local SB/DVBE Payments:	\$ 0.00

The Small Business Attainment Percentage for OTD1 is **22.02%**

The DVBE Attainment Percentage for OTD1 is **3.14%**

To date, **32 SBs** and **2 DVBEs** have participated on this project; **\$49,272,650.61** has been paid to SB/DVBEs, representing **98%** of the prime contractor's SB/DVBE commitment of **\$50,401,322.42**.

Project: SSD/YBID

Prime Contractor: CC Myers

Current Contract Value: **\$475,775,303.00** (Source: Caltrans Resident Engineer)

No new subcontracts to report on during this period (October 15th – December 15th, 2010).

Total SB/DVBE/DBE Contractor Commitments: **\$53,888,720.95** (This represents an *increase* of **\$93,947.78** from \$53,794,773.17 previously reported.)

Of the total commitment dollar value (\$53,888,720.95), **\$40,239,480.91 is committed to Local SB/DVBE firms.** (This represents an *increase* of **\$238,873.38** from \$40,000,607.53 previously reported.)

Total Dollars Paid to Date:	Total Dollars Paid this Reporting Period: (4Q) (October 15, - December 15, 2010)
SB Payments: \$ 45,347,044.67	SB Payments: \$ 549,477.86
DVBE Payments: \$ 323,969.46	DVBE Payments: \$ 0.00
Total SB/DVBE Payments: \$ 45,671,014.13	Total SB/DVBE Payments: \$ 549,477.86
Local SB/DVBE Payments: \$ 40,239,480.91	Local SB/DVBE Payments: \$ 247,557.71

The Small Business Attainment Percentage for YBID is **9.53%**

The DVBE Attainment Percentage for YBID is **0.07%**

To date, **69 SBs** and **4 DVBEs** have participated on this project; **\$ 45,671,014.13** has been paid to SB/DVBEs, representing **100%** of the prime contractor's SB/DVBE commitment of **\$45,671,014.13**.

Project: SAS

Prime Contractor: American Bridge Flour (JV)

Current Contract Value: **\$1,582,528,749.72.** (Source: Caltrans Resident Engineer)

No new subcontracts to report on during this period (October 15th – December 15th, 2010).

Total SB/DVBE/DBE Contractor Commitments: **\$66,755,420.90** (No change from previous report)

Of the total commitment dollar value (**\$66,755,420.90**), **\$27,641,083.77** is committed to **Local SB/DVBE firms**. (No change from previous report)

Total Dollars Paid to Date:		Total Dollars Paid this Reporting Period (4Q) (October 1, 2010 - Present):
SB Payments:	\$ 24,034,111.51	No new payments have been reported since the previous report was issued.
DVBE Payments:	\$ 13,010,812.93	
Total SB/DVBE Payments:	\$ 37,044,924.44	
Local SB/DVBE Payments:	\$ 24,296,949.86	

The Small Business Attainment Percentage for SAS is **1.52%**

The DVBE Attainment Percentage for SAS is **0.82%**

To date, **52 SBs** and **4 DVBEs** have participated on this project; **\$37,044,974.93** has been paid to SB/DVBEs, representing 79% of the prime contractor's SB/DVBE commitment of **\$46,680,343.90**.

Project: YBITS1

Prime Contractor: MCM

Current Contract Value: **\$82,471,004.00** (Source: Caltrans Resident Engineer)

There are five (5) new subcontract(s) to report on during this period (October 15th - December 15th, 2010):

<u>Firm</u>	<u>Commitment</u>	<u>Scope / Service</u>
ABC Painting (Local SB)	\$123,822.00	Seismic Joint Paint
Charlie B Global (Local SB/DBE)	\$70,000.00	Construction Clean-up
O'Neil Productions (Local SB)	\$60,000	Camera / Film Work
M&M Services dba Pacific Sanitation (Local SB)	\$40,000.00	YBI Portable Toilets
The Culver Group (SB)	\$150,000.00	Potholing/Utility Location

Total SB/DVBE/DBE Contractor Commitments: **\$13,602,741.00** (This represents an increase of **\$400,566.00** from \$13,202,175.00 previously reported.)

Of the total commitment dollar value (\$13,602,741.00), **\$3,961,067.00 is committed to Local SB/DVBE firms.** (This represents an increase of **\$1,078,600.00** from \$2,508,079.00 previously reported.)

Total number of SBs:	19	SB Commitment:	\$5,293,519.00
Total number of DVBEs	2	DVBE Commitment:	\$4,330,000.00
Total number of DBEs:	7	SB/DVBE Commitment:	\$9,623,519.00
Total number of Local SB/DVBEs:	14	Local SB/DVBE Commitment:	\$3,961,067.00

The SB Commitment percentage for YBITS1 is **6.42%**.

The DVBE Commitment percentage for YBITS1 is **5.25%**.

**Construction has recently just begun, and no firms have been reported paid as of December 15, 2010.*

Project: Antioch Bridge Seismic Retrofit

Prime Contractor: CEC

Current Contract Value: **\$35,026,343.50** (Source: Caltrans Resident Engineer)

There are seven (7) subcontractor(s) to report on during this period (August 15th – October 15th, 2010):

<u>Firm</u>	<u>Commitment</u>	<u>Scope / Service</u>
Bentancourt Bros. Construction (Local SB)	\$687,840.00	Traffic Management, Electrical Seismic Monitor Steel Pipe Conduit
Centerline Striping Co. (SB)	\$7,540.00	Striping and Signage
Del Secco Diamond Core & Saw (Local SB)	\$185,460.00	Core Concrete
Green Vista Landscape (SB)	\$33,000.00	Tree Removal
H.T Harvey & Associates (Local SB)	\$120,000.00	Ecological Consultant
Pisor Fence (SB)	\$61,273.00	Fencing / Barb Wire
Selby's Soil and Erosion Co. (SB)	\$96,140.00	Erosion Control

Total SB/DVBE/DBE Contractor Commitments: **\$1,191,253.00**

Of the total commitment dollar value (\$1,191,253.00), **\$993,300.00 is committed to Local SB/DVBE firms.**

Total number of SBs:	7	SB Commitment:	\$1,191,253.00
Total number of DVBEs:	0	DVBE Commitment:	\$0.00
Total number of DBEs:	0	SB/DVBE Commitment:	\$1,191,253.00
Total number of Local SB/DVBEs:	3	Local SB/DVBE Commitment:	\$933,300.00

The SB Commitment percentage for the Antioch Retrofit is **3.40%**.

The DVBE Commitment percentage for the Antioch Retrofit is **0.00%**.

**Construction has recently just begun, and no firms have been reported paid as of December 15, 2010.*

								No. SB/DVBE Local: 3
								Local D4 SB/DVBE Value: \$993,300.00

¹ All information reflected on this report is largely based on Prime Contractor self reported data, with the exception of adjustments performed to effectively consider apply eligible crediting provisions, including consideration of status certification. The TBSBP makes no warranty, expressed or implied, or assumes any legal liability or responsibility for the accuracy, completeness, or any third party's use or the results of such use for any information, apparatus, product, or process disclosed, or represents that its use would not infringe privately owned rights.

² Contractor reported SB/DVBE commitment value represented as % of Total Current Contract Value. Commitment values and percentages are subject to change.

³ Contract Value is based off of the "A" portion of the bid amount (bid items), plus approved CCO values. Portion "B" (working hours) is used for bid comparison only, and is not included in this value. Contract value is subject to change due to change order activity. Contract Value reported by Resident Engineer, as of 11-29-2010.

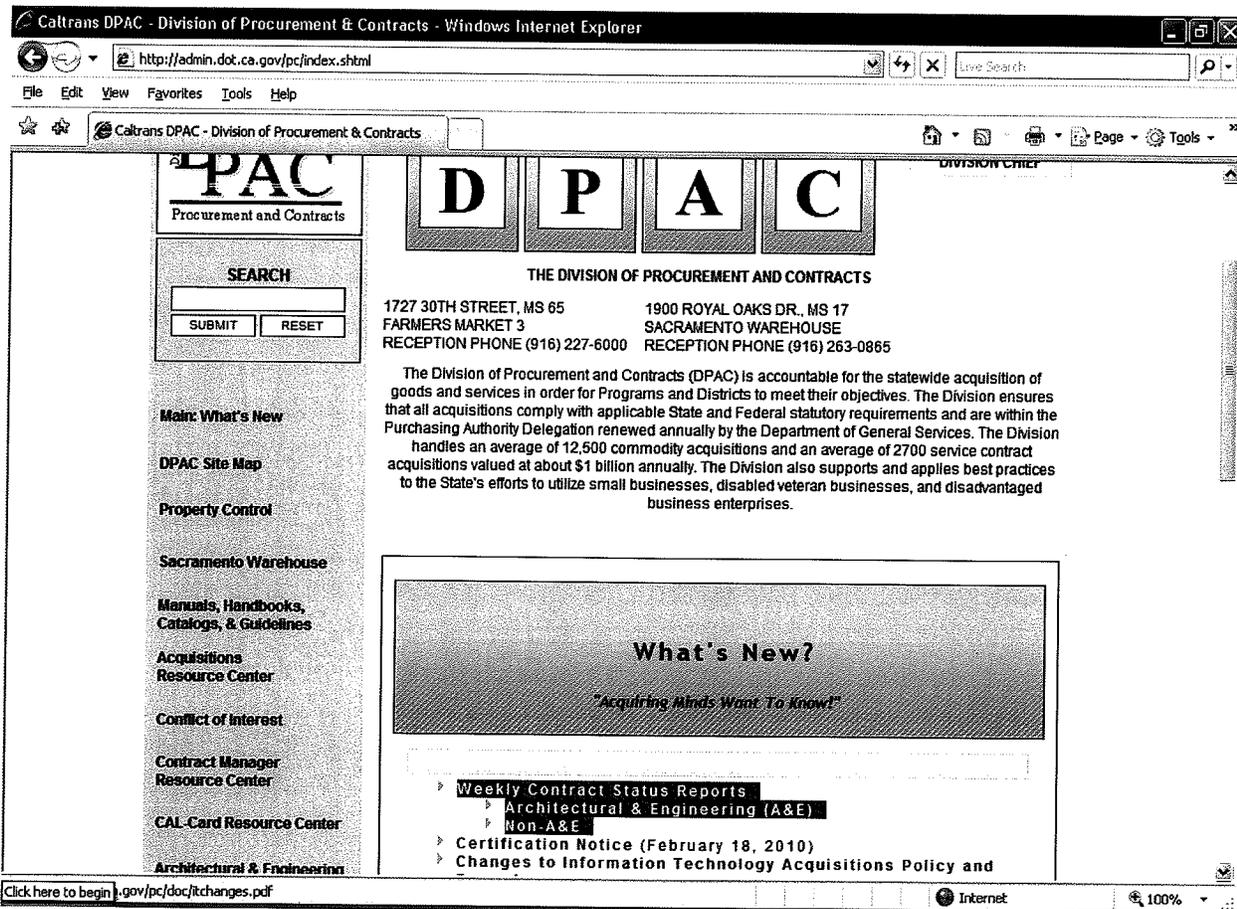

⁴ DBE Certification Status is reported for informational purposes only at the request of District 04 SBC.

Proposed Service Contracts Reports Over 5k

As of December 1, 2010, our Small Business Program will no longer provide the 'Proposed Service Contracts Over 5k Reports' for the Small Business Council. We are ceasing the report because of a change made by DPAC's Contract Analyst (C.A.) Unit on November 1, 2010. The C.A. Unit will no longer provide weekly status reports exclusively and directly to internal entities. All weekly reports for Service and A & E contracts will be posted on the DPAC website. The status reports will be updated each Tuesday and will reflect the contract status as of Friday of the previous week.

DPAC's change of the reporting process is a direct result of Deputy Director Chris Rojas' commitment to improve customer service and transparency. Thus, it will replace the individual reports sent directly to the Contract Managers (CM's) and will allow the public, as well as the CM's to track the status of contracts of interest.

Weekly Contract Analyst Reports Website:

Welcome!

You will find the following Projects, Agencies, Departments and Resources on the following floors at today's event:

First Floor

- California High Speed Rail
- Caltrans
- CityBuild
- CPMC Cathedral Hill Hospital/St. Luke's Hospital Projects
- Presidio Parkway/Doyle Drive Replacement Project
- San Francisco Chamber of Commerce
- San Francisco Human Rights Commission
- San Francisco International Airport – Terminal Two
- San Francisco Municipal Transportation Agency (SFMTA) – Central Subway Project
- San Francisco Office of Small Business/Small Business Commission
- San Francisco Public Utilities Commission Capital Improvement Programs
- United States Department of Commerce/Minority Business Development Agency (MBDA)

Floor Two

- Hunters Point Shipyard/Candlestick Point – Lennar Urban
- San Francisco Department of Public Works – San Francisco General Hospital Rebuild
- San Francisco Department of Public Works – San Francisco Public Safety Building
- San Francisco Department of Public Works – San Francisco Public Utilities Building
- San Francisco Housing Authority
- San Francisco Redevelopment Agency
- Transbay Joint Powers Authority (TJPA) – Transbay Transit Center
- Treasure Island Community Development

PROJECT PROFILE

Prime Contractor Firm: **HerreroBOLDT**

Project Owner: **CALIFORNIA PACIFIC MEDICAL CENTER / SUTTER HEALTH**

Name of Project: **CATHEDRAL HILL HOSPITAL**

Total Project Construction Value: **\$935 million**

Project Description: **Located on Van Ness at Geary, approximately 920,000 square feet, 15 stories, 555 bed New Hospital**

Project Schedule: **estimated to be 2011 to 2015**

Participation Goals (choose those that apply to your projects):

LBE 14 % DBE ___% UDBe ___% SBE ___% DVBE ___% SFPUC LBE ___%

****We are focusing on San Francisco based, union firms****

POTENTIAL OPPORTUNITIES BY TRADE:

1 st Tier Opportunities Remaining	1 st Tier Contracts with 2 nd Tier Opportunities Remaining
• Coiling/Special Doors	• Concrete
• Storefront – Interior	• Metal Deck
• Masonry	• Louvers & Vents
• Casework Installation	• Drywall & Framing
• Terrazzo Flooring	• Firestopping
• Acoustic Finishes	• Doors, Frames & Hardware
• Signage	• Glazing – Exterior
• Operable Partitions	• Acoustical Ceilings
• Toilet Accessories & Partitions	• Ceramic Tile
• Lockers	• Carpet & Resilient Flooring
• Parking Control Equipment	• Painting & Wallcovering
• Loading Dock Equipment	• Food Service Equipment
• File Storage Systems	• Electronic Safety & Security
• Radiation Protection	• Fire Sprinklers
• Miscellaneous Specialties	• Plumbing
• Site Furnishings	• Fuel Tanks & Pumping System
• Concrete Paving	• Rescue Breathing System
• Curbs & Gutters	• HVAC
• Pavement Markings, Bumpers & Signs	• Electrical
• Fences & Gates	• Communications Cabling
• Planting & Irrigation	
• Water Tank Liners	Note: See 1 st Tier Trade Partners on Reverse Side
• Underground Utilities	
• Temporary Rentals	
• Hoists

San Francisco International Airport

PROJECT PROFILE

Project Owner/Sponsor: FAA/SFO Partnership – City & County of San Francisco as contracting authority.

Name of Project: SFO Replacement of Air Traffic Control Tower and Integrated Facility

Project Manager: Tom Rodrigues Telephone: 650.821.7718 Email: Tom.Rodrigues@flysfo.com

Total Project Value: \$100 Million

Project Description: Construct an FAA Air Traffic Control Tower at SFO to replace the existing tower, which is considered seismically vulnerable to becoming inoperational in the event of a major earthquake. Project also provides for 18,000 sq. ft. of FAA office space, and SFO terminal space which resides within the footprint of the FAA facilities.

Project Schedule: Current through August, 2014

Procurement/Solicitation Schedule: A/E Services RFP – In Progress
 CM Services RFP – 11/2010
 Design-Build Services RFP – April/May 2011

Participation Goals:

LBE: ___% DBE: 22% (RN) UDBe: ___% SBE: 20% DVBE: ___% SFPUC LBE: ___%

Certifying Agency:

Length: 225ft Depth: 100 ft – Estimated cost in millions: 170 Approximate Advertisement date: 4th QT 2011 Construction: 2nd QT 2012 52 month duration.

Chinatown Station (CTS) Underground-Center Platform with Mezzanine and Concourse (Sequential Excavation); Length: 200 ft. Depth: 60 ft. Extended Cavern: 340ft. Estimated cost in millions: 150 Approximate Advertisement Date: 1st QT. 2012; Construction: 2nd QT 2012, 60 month duration.

Moscone Station (MOS) Underground-Center Platform with Mezzanine and Concourse (Top-Down construction supported by diaphragm walls); Length: 200 ft. Depth: 50 ft. Approximately cost in millions: 90 Approximate Advertisement Date: 1st QT 2012. Construction: 3rd QT. 2012, 38 months duration.

Trackwork, Systems and Surface Stations: Estimated Cost in millions: 100 Approximate Advertisement Date: 3 QT 2012; Construction: 1st QT 2013, 60 month duration.

OTHER UPCOMING CONTRACTS WITH THE SFMTA

57

Project (Contract) No: **M579.E (1239)** Title: **Church &**
Duboce Track Improvement Project
 Division: **Capital Programs & Construction** Projected Bid Date: **November 3, 2010**
 Location: **San Francisco** Estimated Contract Cost: **\$21.3 million**

Description:

This project replaces the rail tracks from the intersections of Market/Church Streets to Duboce/Church Streets and from Duboce/Church to Duboce/Noe Streets. Track switches and upgrade signal system are included in this project.

Project (Contract) No: **(CS-163)** Title: **Brokerage Services for an Owner Controlled Insurance Program for the Central Subway Project**
 Division: **Capital Programs & Construction** Projected Bid Date: **November 2010**
 Location: **San Francisco** Estimated Contract Cost: **N/A**

Description:

Qualified insurance broker to specify, place and administer an Owner Controlled Insurance Program (OCIP) for the major construction activities on the Central Subway Project – Phase 2 of the Third Street Light Rail Transit Project.

Project (Contract) No: **N/A** Title: **Rail Grinding Project**
 Division: **Capital Programs & Construction** Projected Bid Date: **February 2011**
 Location: **San Francisco** Estimated Contract Cost: **\$2 million**

Description:

Perform profile rail grinding through out Muni Rail System.

Project (Contract) No: **N/A** Title: **M/G Replacement**
 Division: **Capital Programs & Construction** Projected Bid Date: **February 2011**
 Location: **San Francisco** Estimated Contract Cost: **\$450,000**

Description:

Replace the current Motor Generator at Van Ness with the latest Solid State Inverter technology for power distribution to Muni Metro track circuits, signaling and other wayside equipment.

Project (Contract) No: **CTP621.1 (1241)** Title: **Muni Metro Subway Fire Alarm & Detection System Upgrade**
 Division: **Capital Programs & Construction** Projected Bid Date: **March 2011**
 Location: **San Francisco** Estimated Contract Cost: **\$1 million**

Description:

Fire alarm upgrade per NFPA 72 code for five Muni Metro stations located at Church, Duboce, Van Ness, Forrest Hill, & West Portal.

Project (Contract) No: **M579.H** Title: **Green Center Rail Replacement**
 Division: **Capital Programs & Construction** Projected Bid Date: **March 2011**
 Location: **San Francisco** Estimated Contract Cost: **\$21.8 million**

Description:

Replace worn tracks and switches at the north and south ladder tracks in the Green Center storage yard. Replacement also includes revenue track outside the storage yard, overhead contact systems, and track switch control systems. Improvements also include new paving, update yard lighting, and construction of new boarding islands and key stops on San Jose Avenue.

Project (Contract) No: **M579.F** Title: **Carl/Cole Rail Replacement**
 Division: **Capital Programs & Construction** Projected Bid Date: **July 2011**
 Location: **San Francisco** Estimated Contract Cost: **\$18 million**

Description:

This project replaces the rail tracks on Carl Street from the intersection s of Cole/Carl Streets to Arguello Blvd/Carl Street.

Project (Contract) No: **M629.1 (1231R)** Title: **John Woods Motor Coach Facility - Vehicle Lift Replacement Phase I**
 Division: **Capital Programs & Construction** Projected Bid Date: **July 2011**
 Location: **San Francisco** Estimated Contract Cost: **\$3.8 million**

Description:

Replace hydraulic, in-ground bus lifts in the Heavy Maintenance Shop at the Muni Woods Facility with new ones that are self-contained and environmentally friendly.

Project (Contract) No: **M524.2** Title: **Bayview Opera House, Phase II**
 Division: **Capital Programs & Construction** Projected Bid Date: **August 2011**
 Location: **San Francisco** Estimated Contract Cost: **\$1.4 million**

Description:

Re-landscape and refurbish the plaza surrounding the Opera House including pavement, planting, lighting and street furniture.

PROJECT PROFILE

central subway

Project Owner/Sponsor:

The project owner is the San Francisco Municipal Transportation Agency (SFMTA), with partnership/sponsorship from the US Department of Transportation Federal Transit Administration (FTA), State of California Transportation Commission, City & County of San Francisco, San Francisco County Transportation Authority, and the Metropolitan Transportation Commission.

Name of Project: Central Subway Project
Project Manager: John Funghi, Senior Program Manager
Telephone: (415) 701-4299
Email: john.funghi@sfmta.com
Total Project Value: \$1.57 billion

Project Description:

The Central Subway Project is the second phase of the T-Third LRV line. The Project includes 1.7 mile new rail extension with service connecting to a surface station located at 4th & Kings Street. The new line will travel up 4th Street and descend underground at the I-80 Freeway overpass. The service will continue north from 4th Street to Stockton Street with three subsurface stations located at Moscone Center, Union Square, and Chinatown. The Project will bore the subway tunnels past the Chinatown station to North Beach where the twin Tunnel Boring Machines will be extracted on Columbus Avenue near Washington Square Park. This is in anticipation of a possible future third phase for the line and continuing service through North Beach and into Fishermen's Wharf.

Project Schedule:

The Project is currently under construction. The Project will be completed and Pre-Revenue service is scheduled by 2018. (See Central Subway website at sfmta.com/central for detailed contract and construction schedule.)

Procurement/Solicitation Schedule: As per City and County of San Francisco requirements, all formal bids are posted at: <http://mission.sfgov.org/OCABidPublication/>

Participation Goals: The SFMTA implements a Small Business Enterprise (SBE) for federally funded projects such as the Central Subway. An SBE participation goal is established for these projects on a project by project basis. An SBE goal is met with Disadvantaged Business Enterprise (DBE), Local Business Enterprise (LBE), and Small Business certified firms (SBE).

Certifying Agency: SF HRC CUPC/DOT DGS

Program Management Firm:

Central Subway Partners, Inc. (CSP), a joint-venture with AECOM USA and EPC Consultants, Inc.

Contractor Bonding & Contract Financing Assistance Program

The SFMTA Central Subway project will be offering small business certified contractors assistance in securing bonding and contract financing to enhance your bidding and contracting opportunities. Whether you seek to pursue a prime or subcontracting opportunity, the SFMTA's assistance program will help you with:

- ❖ One on One Consultation to help you assess and position yourself to qualify for bonding and/or contract financing
- ❖ Collateral support to help you qualify (case by case)
- ❖ Program Partners including small contractor bonding brokers, small contractor sureties and other business resources
- ❖ Third Party Funds Administration to support your project payment management (where applicable)
- ❖ Ongoing contract monitoring support focused on your successful contract completion
- ❖ Group technical assistance and training classes

For more information on the program, please contact the program administrator:

Office of Small Business Small Business Assistance Center

The **Small Business Assistance Center** functions as the City's central location for San Francisco small businesses, providing access to information, networks and resources for every stage of business development. San Francisco defines small business as businesses with fewer than 100 employees.

Our services:

- Individualized case management assistance (one-to-one)
- Customized check-list of requirements by business type
- Review of site zoning and use information
- Research of local, state and federal permits/licenses and fee schedules
- Information on accessing business loans and other financing options
- Technical assistance and business training coordination
- Procurement information and assistance – How to do business with the city
- Understanding of employer requirements and compliance
- Tax credits and incentives information
- Business classes and workshops schedule and notices
- Network of business organizations and associations
- Other business resources and program referrals as applicable

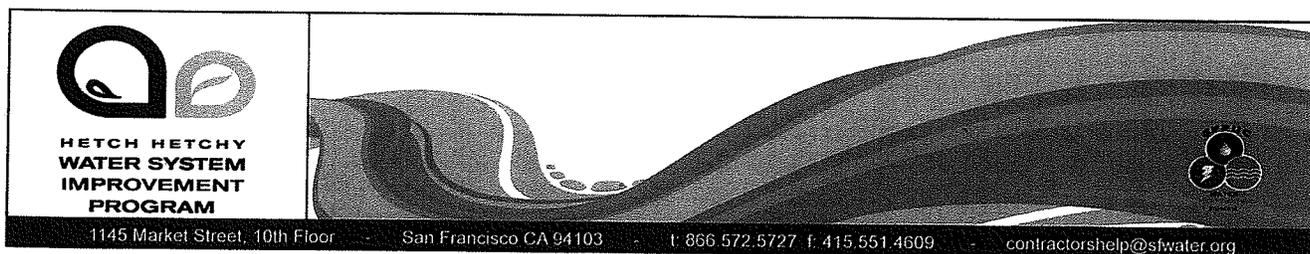

The **Office of Small Business and Commission** works to support and enhance an environment where small businesses can succeed and flourish. Services offered include:

- Champion "business-friendly" policies
- Review and recommend legislation
- Market the contributions of the small business sector
- Work with Human Rights Commission and Office of Contract Administration to improve contracting opportunities for Small Businesses.

SFPUC Construction Projects | 2010-2013 Advertisement Dates

The San Francisco Public Utilities Commission (SFPUC), California's third largest utility and an enterprise of the City and County of San Francisco, is responsible for providing water, wastewater, and municipal power services. Under SFPUC's \$4.6 Billion Water System Improvement Program (WSIP), construction contracting opportunities are available within SFPUC regional service territory to repair, replace, and seismically upgrade portions of the aging Hetch Hetchy Water System.

SFPUC Prime Pre-Qualification Program: Prime Contractors who intend to bid on the projects below **MUST** Pre-Qualify under the SFPUC designated project categories and are encouraged to submit applications four (4) weeks prior to the bid due date.

Local Business Enterprise (LBE) Certification Program: Established small public works/construction firms, construction materials suppliers, and construction equipment rental and trucking firms located in San Francisco and in the SFPUC Regional Service Territory (as defined by zip codes) are encouraged to apply for Certification as an LBE. Certified SF LBEs (Local) and SFPUC-LBEs (Regional) are eligible to assist a Prime meet its' subcontracting goal requirements. Additionally, when a LBE bids as a Prime, they will receive 10% bid discount. Only SF LBEs can meet goals and receive a 10% discount on both local and regional projects. Please visit <http://sf-hrc.org/> for information.

Latest Advertisement Dates are based on the WSIP Quarterly Report (June 2010) with a few exceptions where the dates provided reflect recent changes made to some projects schedules. For updates on all SFPUC programs, please contact the Office of the Ombuds at: 415-554-1530 | contractorshelp@sfwater.org | <http://www.sfwater.org>

CONTRACTOR BIDDING FACTSHEET

Presidio Parkway, Doyle Drive Replacement Project - Phase II

PROJECT OWNER/SPONSOR: California Department of Transportation

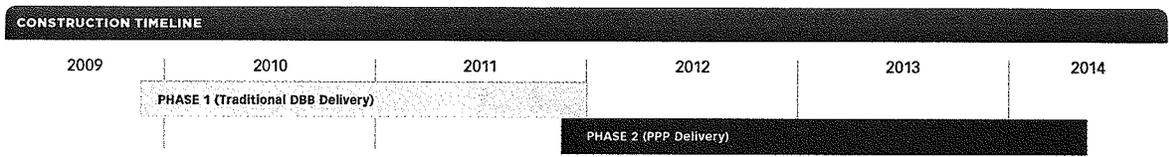

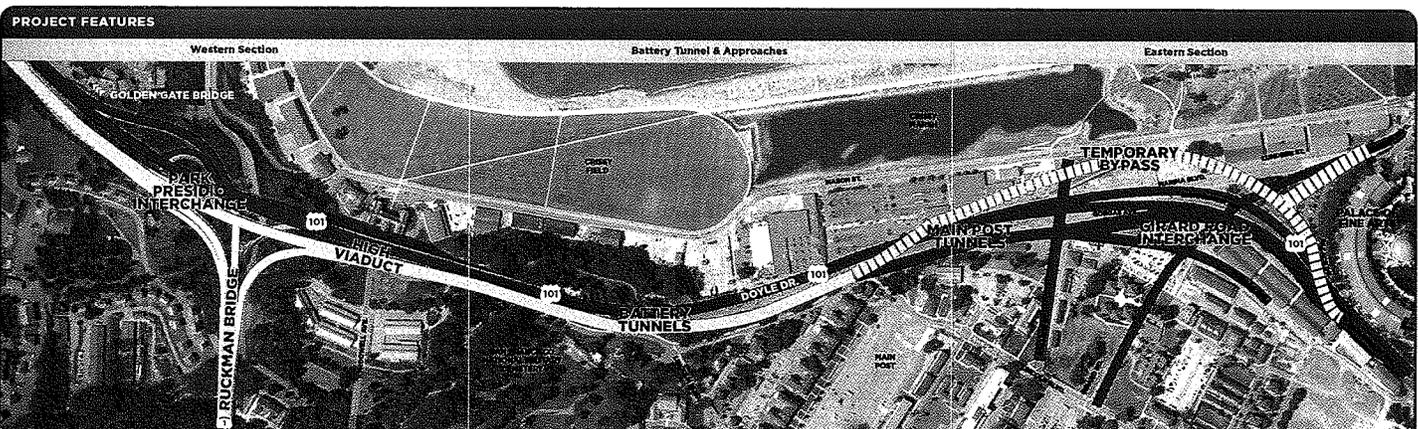

TOTAL PROJECT VALUE: \$1.045 billion

PROJECT DESCRIPTION: The second phase of the project will consist of replacing portions of the existing Doyle Drive facilities on Route 101 in the City of San Francisco, which serves as the south access to the Golden Gate Bridge along the northern edge of the City of San Francisco. The new facility will be a six-lane parkway-type roadway with a southbound auxiliary lane, between the Park Presidio Interchange and the new Presidio access at Girard Road. The Project will also include operation and maintenance of all of the replaced Doyle Drive facilities.

PROJECT SCHEDULE: Phase I of the Doyle Project (Contracts 1 through 4) is currently in progress. Contract 1 for Environmental Services and Building Stabilization is ongoing throughout the project. This contract achieved an overall small business participation rate of 83%. Contract 2 for Utilities Relocation (Ghilotti Bros., Prime) is nearing completion and achieved over 62% small business participation. Contract 3 for construction of the Ruckman Bridge and Southbound High Viaduct (CC Myers, Prime) is currently in progress. Contract 4 for construction of the Southbound Bound Battery Tunnel and Temporary Detour (R&L Brosamer, Prime) is underway.

Phase II construction (formerly Contracts 5 through 8) will begin in late 2011 and last through mid-2014. Following construction completion in 2014, there will be an approximately 30-year period of Operations and Maintenance. This Phase will operate via a Public-Private Partnership in which the selected bidder (Golden Link Partners) will Design, Build, Finance, Operate and Maintain the project.

PROCUREMENT SCHEDULE: Contracts 1 and 2 are nearing completion. Contracts 3 and 4 are already let and continue to identify opportunities for Underutilized (UDBE), Disadvantaged (DBE), Small (SBE), Disabled Veteran (DVBE) and Local Business Enterprises (LBE). This process to detect opportunities and facilitate subcontracting is ongoing. Phase II of the Presidio Parkway Project, which has an estimated value of \$491 million, is currently in the latter stages of the Procurement Process. Phase II includes a unique incentive program which will encourage the developer to not only meet but exceed their UDBE requirements.

PRESIDIO PARKWAY PHASE I CONSTRUCTION: LATE 2009 - LATE 2011

Since construction began in December 2009, Caltrans has made quick progress on Phase I of the Presidio Parkway, the Doyle Drive

replacement. Phase I consists of construction of ① a replacement bridge north of the MacArthur Tunnel, ② a new southbound bridge east of the Highway 1/101 interchange, ③ the first of four tunnels, and ④ a temporary bypass.

① RUCKMAN BRIDGE REPLACEMENT CAREFUL PHASING TO KEEP YOU MOVING

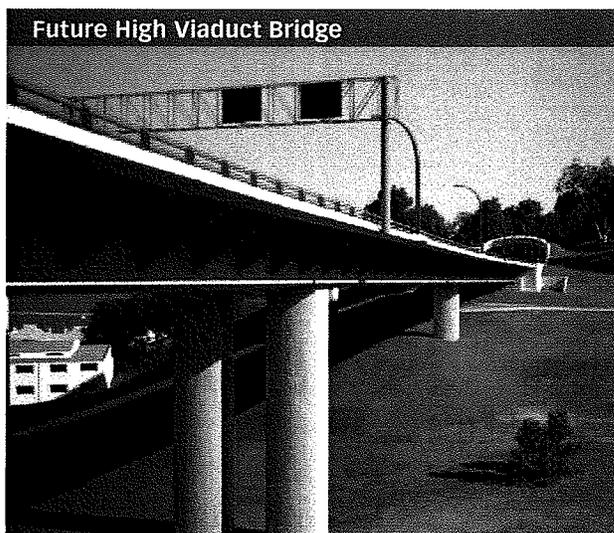

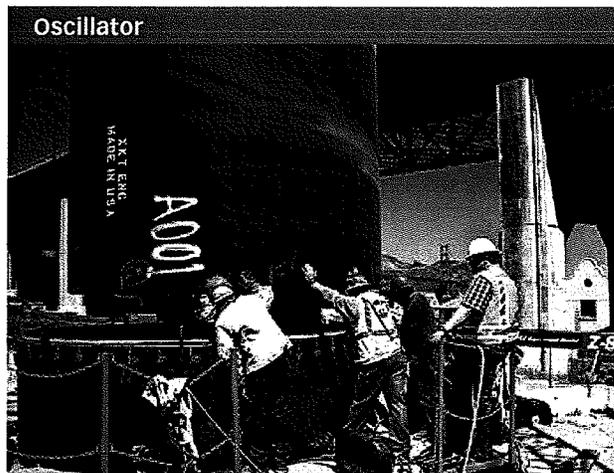

Construction of the Presidio Parkway project has been carefully planned to allow mainline traffic to flow during construction of the new roadway. The images below show this strategy in action for the Ruckman Bridge replacement along Highway 1. Crews built a temporary bridge and shifted traffic onto it in order to demolish the old bridge and ultimately build its replacement.

② SOUTHBOUND BRIDGE CONSTRUCTION INNOVATION UNDERGROUND

Just like building a house, the first step in constructing a bridge is building the foundations. A brand new, first-of-its-kind, 180,000-pound machine was used to twist giant, 12-foot-wide steel casings into the ground, some to a depth of nearly 200 feet, to create the seismically safe foundations for the new southbound bridge. Called an oscillator, the machine's unique twisting motion eliminates vibration, minimizing effects on nearby historic and natural resources, and greatly reduces the noise associated with traditional pile driving.

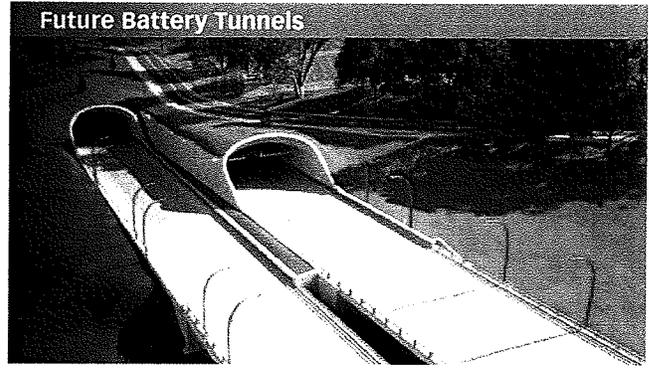

After completing the bridge foundations, crews poured the columns for the new bridge.

NEXT UP? The new bridge deck will begin to take shape adjacent to the existing bridge between the Highway 1/101 interchange and National Cemetery.

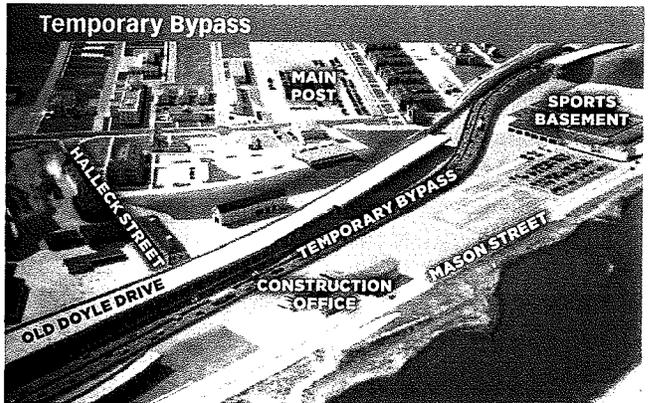

3 TUNNEL CONSTRUCTION ADDING ACCESS TO HISTORIC BATTERIES

The southbound Battery Tunnel will be built using the "cut and cover" method of construction rather than tunnel boring. Crews will build support walls, excavate the tunnel, lay the tunnel floor, install the lighting and ventilation systems, and then cover over the tunnel with new landscaping. The tunnel top will provide access to formerly isolated historic batteries. The northbound Battery and Main Post tunnels will be constructed in the same way beginning in early 2012.

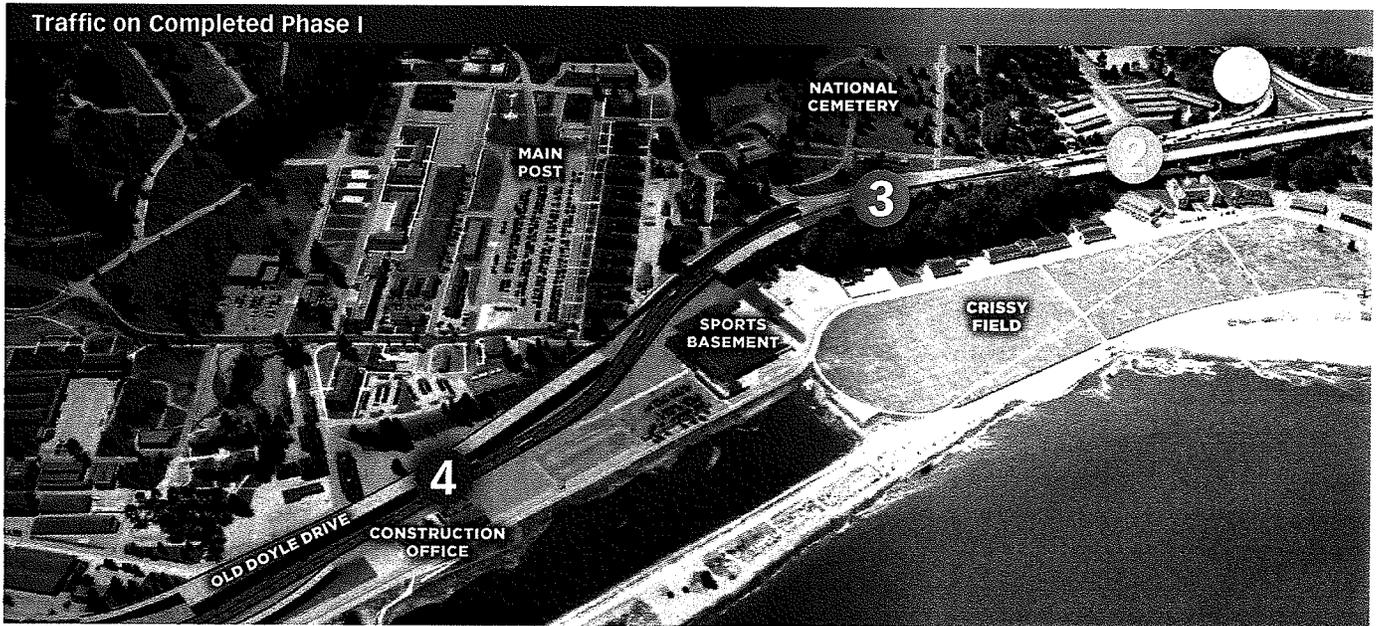

4 TEMPORARY BYPASS CARRYING TRAFFIC DURING CONSTRUCTION

The temporary bypass will allow crews to efficiently demolish the existing Doyle Drive and construct the final roadway. Inclusion of the temporary bypass in the construction phasing shortened the duration of construction by 1.5 years.

CLOSING DOYLE DRIVE FOR AN EXTENDED WEEKEND, LATE 2011

Doyle Drive will be closed for an extended weekend in late 2011 in order to transfer traffic from the existing Doyle Drive onto the temporary bypass and completed southbound structures. During the closure, the connection between the Golden Gate Bridge and Park Presidio Boulevard/Highway 1 will remain open. After the extended weekend closure, seismic safety will be achieved.

OPPORTUNITIES

LENNAR
URBAN

Project Schedule: Build-out to occur from 2010 – 2017

Procurement/Solicitation Schedule:

Residential Construction Bidding

Block 50 – 25 townhomes	Already undertaken
Block 51 – 63-home project (flats)	Next 6 months expected
Block 53 – 93-home project (townhomes and flats)	Next 12 months expected
Block 54 – 67-home project (townhomes and flats)	Next 12 months expected
Temporary Sales Center Building	Next 6 months expected

Infrastructure/Landscaping/Public Spaces Construction Bidding

Innes Court Park	Next 6 months expected
Hilltop Park	Next 6 months expected
Innes Avenue/Donahue Street streetscape	Next 6 months expected
Hillside neighborhood infrastructure	Next 6 months expected

Participation Goals:

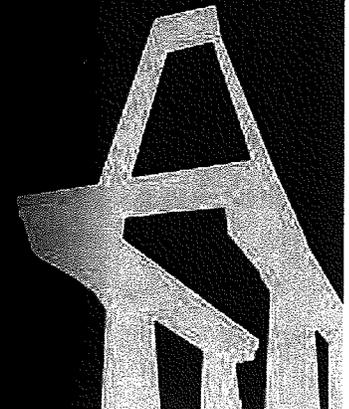

Professional Services:	30% / 18%	MBE/WBE
Construction Contractors:	31% / 10%	MBE/WBE
Construction Workforce:	26% / 7%	MBE/WBE
		50% San Francisco Residents

Certifying Agency: San Francisco Redevelopment Agency

URBAN

Project Owner/Sponsor: HPS Development Co., LP

Name of Project: Phase 1 – Hunters Point Shipyard

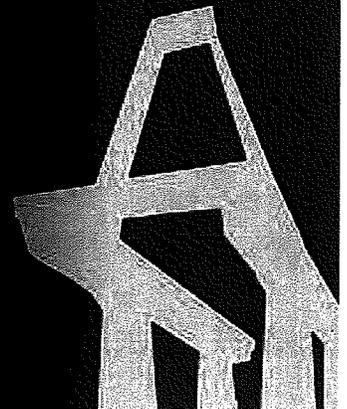

Project Manager: Jack Robertson (Residential)
Brian Olin (Land Development)

Telephone: 415-995-1770

Email: jack.robertson@lennar.com
brian.olin@lennar.com

Project Description: The Shipyard is comprised of two areas defined as Phase 1 and Phase 2/Candlestick Point. Phase 1 consists of approximately 1,400 homes, 9,000 square feet of retail commercial space, and 25+ acres of open space and parks. Infrastructure has been installed in the Hilltop portion of Phase 1 and residential building will commence within the next six months. The first 2 blocks, totaling 88 homes, have been designed and permitted for construction. The homes will range from condominium flats to individual townhomes. Parks will vary from small pocket parks to larger recreational areas. A limited amount of neighborhood serving commercial space will be developed in Phase 1 as a precursor to a full-service “village center” that will be developed in Phase 2.

PROJECT PROFILE

LENNAR
URBAN

Project Owner/Sponsor: CP Development Co., LP

Name of Project: Phase 2 – Hunters Point Shipyard / Candlestick Point

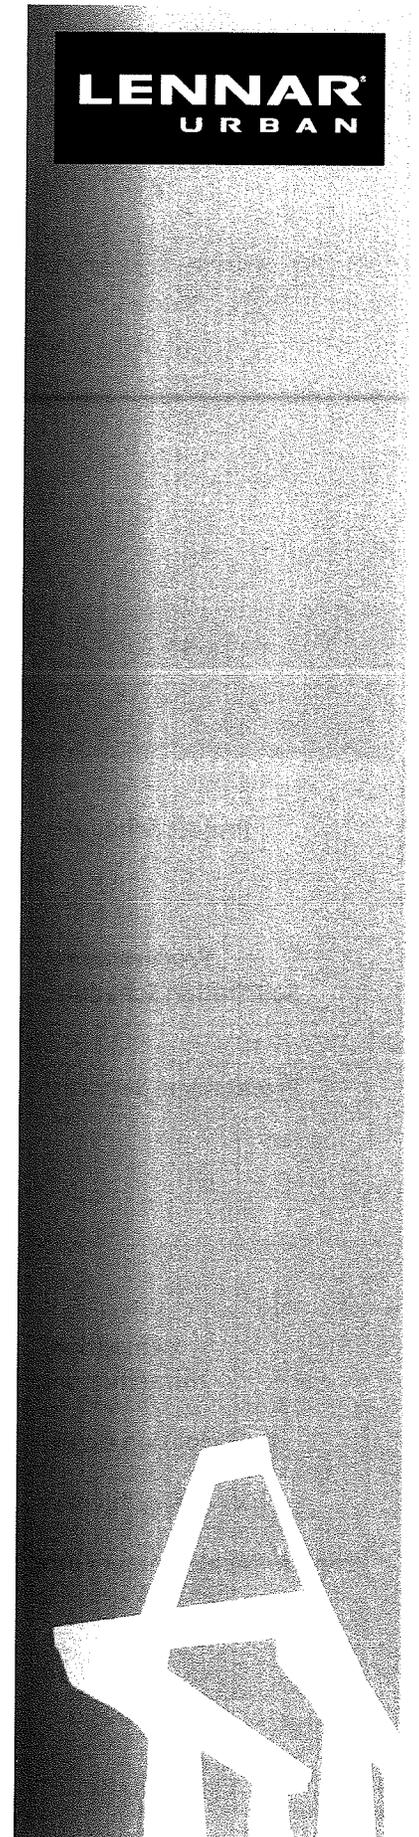

Project Manager: Brian Olin / Stephen Proud

Telephone: 415-995-1770

Email: brian.olin@lennar.com, stephen.proud@lennar.com

Project Description: Phase 2 and Candlestick Point will become a community of sustainable living, consisting of over 700 acres of homes, retail, commercial, parks and open spaces. This phase will include up to 10,500 new homes (with 32% designated as affordable), redevelopment of the Alice Griffith public housing development, millions of square feet of commercial and retail space, artists' studios, a potential new 49er football stadium, and more than 300 acres of parks and shoreline open space. Additionally, there are plans to provide incubators for high-tech and green-tech startups, as well as incentives to bring other sources of economic development to the community. The initial phase of Phase 2/CP will be the demolition and development of Parcel B on the Shipyard, which will be made available for up to 2,600 new homes, artist studio space, retail, and R&D space. In addition, the Alice Griffith public housing development, located in Candlestick Point, will also occur during this initial phase. Eventual resolution of the 49ers stadium site will drive the timeframe for commencing development on the other portions of this new HPS/CP community.

DBE/SBE Programs

TJPA became a grantee of the Federal Transit Administration (FTA) in 2006. Recipients of funding from FTA must establish a Disadvantaged Business Enterprise (DBE) program under federal regulations to ensure that DBEs have an equal opportunity to receive and participate in contracts. TJPA established its [DBE program](#) in 2006. Our program is race-neutral, meaning that we do not place binding DBE goals on contracts. However, TJPA strongly encourages DBE participation on all contracts, and publishes advisory percentages in RFPs and bid documents to inform the contracting community of the DBE participation that TJPA believes is achievable on a particular contract based on availability in the marketplace.

In 2009, the TJPA Board adopted a [Small Business Enterprise \(SBE\) program](#) as well. Under the SBE Program, TJPA places enforceable SBE goals on contracts as appropriate. Meeting the goal or demonstrating good faith efforts to do so is a condition of contract award.

TJPA accepts certifications from the following programs in its SBE Program:

- [State of California Department of General Services, Procurement Division, Office of Small Business and Disabled Veteran Business Enterprise Services \(OSDS\)](#)
- [City and County of San Francisco Local/Minority/Woman-Owned Business Enterprise as certified by the Human Right Commission \(HRC\)](#)
- [California Unified Certification Program \(CUCP\)](#)

Download a [DBE/SBE Fact Sheet](#) with more information about these certifications. Meet the DBE/SBE Program Support Team, [Business Development, Inc.](#)

PROJECT PROFILE

TICD TREASURE ISLAND COMMUNITY DEVELOPMENT

Project Owner/Sponsor: Treasure Island Community Development (TICD)

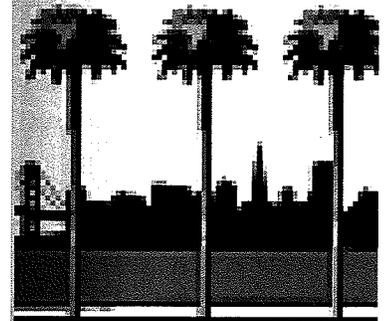

Name of Project: Treasure Island

Project Managers: Stephen Proud – Lennar Urban
Kheay Loke – Wilson Meany Sullivan

Email: stephen.proud@lennar.com kloke@wmspartners.com

Project Description: Treasure Island Community Development (TICD) in partnership with the Treasure Island Development Authority (TIDA) are redeveloping Treasure Island with the goal of creating one of the most sustainable large development projects in the United States. The redevelopment plans contain a mix of land uses that promote both a new San Francisco neighborhood and a major new destination for local, regional, national and international visitors. The primary components of the land use plan are 8,000 residential units, approximately 300 acres of open space and recreation, new commercial opportunities for retail and office uses and adaptive reuse of the historic resources.
