PG&E Utility Relocation on HIGHWAY 12

Sonoma Highway- The California Department of Transportation has announced that beginning Monday, October 27, Pacific Gas and Electric crews will begin a utility relocation project from Sierra Drive to Academy Lane in anticipation of the upcoming Highway 12 Sidewalk and Street Improvement Project. Work will take place Monday through Friday from 9 a.m. to 3 p.m. each day. To keep one lane open in each direction during construction a traffic shift may occur, eliminating the center turn lane during the utility relocation operation.

Work will be noisy and may cause minor inconveniences when trying to access local businesses. Traffic delays are estimated between 5 to 10 minutes in both directions.

MOTORISTS ARE ADVISED TO TAKE ALTERNATE ROUTES IF NEEDED
