UPDATE
CLOSURES ALONG U.S. 101

Geyserville- The California Department of Transportation (Caltrans) will continue construction work on US 101 for the concrete and bridge approach slab replacement project currently underway in Geyserville from Lytton Spring Road to South Geyserville. Flaggers and signage will be onsite to direct traffic through all closures.

The weekly construction schedule will continue with rolling lane closures along the north and southbound directions Monday through Friday from 6 p.m. to 1 p.m. each day. Work will be noisy and Caltrans apologizes for any inconvenience this may cause. Loud roadway grinding is expected to subside in the coming weeks.

ALL SCHEDULES ARE SUBJECT TO CHANGE
MOTORISTS ARE ADVISED TO EXPECT UP TO 15 MINUTE DELAYS
AND TO TAKE ALTERNATE ROUTES IF NEEDED
