## Current Status U.S. 101:

- **Santa Rosa Creek Bridge:** Santa Rosa Creek Pedestrian Over-Crossing demolished Sunday, June 8.
- **Prince Memorial Greenway:** There are currently no closures scheduled.

## Other:

- **U.S. 101 Northbound Various Lanes (Santa Rosa – Windsor):** Caltrans will continue Tuesday, September 2 a Metal-Beam Guardrail installation project will begin along U.S. 101. Various lanes will be closed throughout the corridor with at least one lane remaining open to traffic at all times. The hours of operation will be Tuesday through Friday from 10 p.m. to 6 a.m. Further detailed information is expected to follow in future updates.
- **State Route 12 at Waterman Avenue:** There will be one-way traffic control as Maintenance crews will be working on the water and sewer lines along westbound State Route 12 near Waterman Avenue. The work will continue Tuesday, September 2 through Friday, September 5. One-way traffic control will be in affect from 8 a.m. to 3 p.m. each day. There will be flaggers onsite to direct traffic. The expected delay during this work is estimated to be around 15 minutes.
- **State Route 12 Agua Caliente to Junction 12 &121 (Fremont Road):** Caltrans has announced that the paving and electrical work was completed this week through the City of Sonoma. Crews will be back onsite Tuesday, September 2 through Friday, September 5 to seal the roadway. Crews are scheduled to be onsite and enforce the no parking signage between the hours of 6 p.m. to 10 a.m. throughout the work zone. Each sign will have a timeline indicated as to when the no parking will be in affect. Crews and flaggers will be onsite until the project is complete.

## NEWS RELEASE

- **State Route 12 at Libby Avenue (Kenwood):** Caltrans has announced that there will be one-way traffic control in affect while crews work on underground utilities. Work will take place Monday, September 1 through Friday, September 5 from 9 a.m. to 4 p.m. each day. There will be flaggers onsite to direct traffic. The expected delay during this work is estimated to be around 15 minutes.
