# NEWS RELEASE

## Other:

- **U.S. 101 Northbound Various Lanes (Petaluma – Cloverdale):** Caltrans has announced that the metal-beam guardrail installation project will continue **Monday, September 22** along U.S. 101. The right lane will be closed throughout the corridor with the left lane remaining open to traffic at all times. The hours of operation will be Monday through Friday from 10 p.m. to 6 a.m. Further detailed information is expected to follow in future updates.
- **Highway 116 Westbound Mount Vernon Road/Hessel Road to Lone Pine Road:** Caltrans has announced that crews will be digging and paving for a driveway approach along the roadway. Crews will begin work on Monday, September 22 through Friday, September 26 from 9 a.m. to 3 p.m. each day. There will be intermittent traffic control and occasional one-way traffic control as needed. There will be flaggers onsite to direct traffic. The expected delay during this work is estimated to be around 15 minutes.
- **State Route 12 at Waterman Avenue:** There will be one-way traffic control as maintenance crews will be working on the water and sewer lines along westbound State Route 12 near Waterman Avenue. The work will continue Monday, September 22 through Friday, September 26. One-way traffic control will be in affect from 9 a.m. to 3 p.m. each day. There will be flaggers onsite to direct traffic. The expected delay during this work is estimated to be around 15 minutes.
- **U.S. 101 Lytton Spring Road to South Geyserville:** Caltrans has announced that crews will begin work on a concrete replacement slab project Sunday, September 21 through Thursday, September 25. There will be rolling lane and on and off-ramp closures northbound and southbound on U.S. 101 between the hours of 6 p.m. and 1 p.m. each day. Flaggers will be onsite to direct traffic.
- **Highway 116 Westbound at South Main Street and Petaluma Avenue:** Caltrans has announced that traffic will be shifted Monday, September 22 through Friday, September 26 from 9 a.m. to 3 p.m. Crews will be working on the curbs and gutters along the shoulder. There will be flaggers onsite to direct traffic each day.
