

**May 31, 2007**  
**U.S. 101 Widening Project, Santa Rosa**

**Widening Work, Traffic Impacts, Openings, and Closures**

- **Eastbound and westbound State Route 12 connector ramps to northbound U.S. 101** will close for about 32 hours beginning at approximately 10:00pm, Friday, June 15 and ending 8:00am, Sunday, June 17. Crews will use this full closure for grading work to equalize the elevations between the ramps and U.S. 101. Detours will be posted directing motorist south to Baker, and returning to the northbound freeway direction via the Santa Rosa Avenue onramp. The CHP will assist with the closure and detours. An informational flyer is forthcoming along with a detour map.
- Crews are building soundwalls and retaining walls along the southbound side of the freeway. Some nighttime ramp closures are necessary during this construction.
- Farmers Lane is a Caltrans staging area. There are currently no active plans to extend eastbound S.R. 12.

**Santa Rosa Creek and Fourth Street Viaduct**

- Crews will begin bridge construction at Santa Rosa Creek June 15 and the Prince Memorial Greenway will close.
- Around June 15, U.S. 101 traffic between S.R. 12 and just south of Ninth Street, will shift to the new median section.

**Sixth and Ninth Streets**

- This week at Sixth Street crews will construct the approach slabs at both abutments.
- **Work is active and ongoing at Ninth Street.** This week crews will form falsework for stem and soffit rebar. Ninth Street remains open to bicycle and pedestrian traffic.

**College Avenue and Steele Lane**

- Early Monday morning, June 4 from 3:00am to 6:00am crews will close the College Avenue undercrossing to safely adjust grade to proper elevation.
- At College the week of June 4, crews will do backfill work and form for the bridge.
- Approach slab work and a closure pour are scheduled for Steele Lane the week of June 4.
- Southbound traffic at Steele Lane is scheduled to move onto the new, western-most bridge overnight on June 11 or 12. From Wednesday, June 13 to Monday, June 18 from 9:00pm to 6:00am the Steele Lane undercrossing will be closed as crews demolish the northbound bridge. The northbound on and offramps may also be subject to closures during this demolition work.

**Other**

- State Route 12 work at the Railroad Overhead is scheduled for Monday and Tuesday, June 18 and 19 while the Olive Avenue work is scheduled Wednesday and Thursday, June 20 and 21. **This will be noisy work.**
- Throughout the life of the project, either lane in both the northbound and/or southbound direction of U.S. 101 will temporarily close as needed, from 10:00pm to 5:00am between State Route 12 and Steele Lane.

*All work dates are tentative. Please circulate this update.*
