U.S. 101 Widening Project, Santa Rosa

Widening Work, Traffic Impacts, Openings, and Closures

- Crews are building soundwalls and retaining walls along the southbound side of the freeway. Some nighttime ramp closures are necessary during this construction.
- Farmers Lane is a Caltrans staging area. There are currently no active plans to extend eastbound S.R. 12.

Santa Rosa Creek and Fourth Street Viaduct

- Bridge building over Santa Rosa creek continues at both the northbound and southbound bridges.
- The Greenway is closed through October 2007 for bridge construction.
- Fourth Street remains closed as utility related work continues.

Sixth and Ninth Streets

- Crews prepare for roadway excavation late the week of July 23.
- At Ninth Street, falsework is being lowered.
 - Ninth Street remains open to bicycle and pedestrian traffic.

College Avenue and Steele Lane

- A College Avenue Bridge is scheduled to be lowered sometime around Wednesday, July 25. The undercrossing will be closed overnight.
- Crews will demolish a College Avenue bridge around mid-September. This bridge is the final College Avenue bridge to be demolished as part of the widening project.
- Steele Lane and its ramps will be closed overnight, Friday, July 20.

Other

- Demolition work at the Railroad Overhead and Olive Avenue has been postponed.
- Throughout the life of the project, either lane in both the northbound and/or southbound direction of U.S. 101 will temporarily close as needed, from 10:00pm to 5:00am between State Route 12 and Steele Lane.
