

## **July 3, 2006 Update**

### **U.S. 101 Widening Project, Santa Rosa**

#### **Closures**

- Steele Lane continues to have a reduced number of lanes through 2008.
- College Avenue continues to have reduced lanes through 2008.
- The Third Street undercrossing of U.S. 101 continues to be closed.
- The Downtown/Third Street offramp continues to be closed.
- The number two, or fast lane, of northbound 101 may be closed overnight at midweek as bridge demolition at Steele Lane continues.
- The northbound ramp from 101 to 12 may be closed overnight July 5.
- There will be various short-term, overnight lane closures along the roadway, connectors, and ramps as crews continue to place concrete barriers, clear medians, and begin rough grading.

#### **Construction**

- The Prince Memorial Greenway has closed until Fall. Crews have constructed a trestle at Santa Rosa Creek. Work is also commencing with the soundwall.
- Crews will be driving piles at College Avenue in mid-July. This will be loud work that may affect surrounding residents and businesses.

#### **Other issues**

- Crews are making efforts to keep dust at a minimum as they do work at the median and structures.
- Caltrans, contractors, and other partners continue to address ongoing signage concerns.
