FOR IMMEDIATE RELEASE

New Redwood and Maacama Bridges in Sonoma County Completed

Geyserville - Today, Caltrans announced completion of two new bridges on State Highway (HWY) 128 near Geyserville in Sonoma County.

The new bridges, Redwood and Maacama, are wider than the previous structures, with twelve foot wide lanes and eight foot wide shoulders. Construction began in June of 2010.

One way traffic control has been lifted, which was in place during the construction; with the newly built bridges, HWY 128 will be back to 2 lane traffic. Minor work will continue within the area until early December.

The total construction cost for both bridges was \$7 million.
