

District 4 Pedestrian Advisory Committee (PAC) Meeting

March 21, 2012

9:30 – 11:30 AM

Mountain View Room 230, 15th Floor, 111 Grand Ave, Oakland

AGENDA

- 9:30 AM 1. Welcome and Introductions
- 9:35 AM 2. Review and Approval of Summary of Nov 2011 and Feb 2012 Meetings
- 9:40 AM 3. Presentation on Caltrans Policy on Camera Enforcement regarding Red Light Running
Roland Au-Yeung, Chief of the District 4 Office of Traffic Safety, will describe the policy and explain the Caltrans process and the role of local agencies.
- 9:55 AM 4. Presentation on Sloat Boulevard Road Diet Project and Request for PAC Support
Roland Au-Yeung will describe the completed Sloat Boulevard project and recent feedback from some members of the community. The PAC will have the opportunity to decide whether to officially express support for the project.
- 10:10 AM 5. Presentation and Discussion on AB 819 and Pedestrian Design Guidance
Michelle DeRobertis will provide an informal presentation on the content of Assembly Bill 819, as amended, and the relevance to experimentation and guidance development for pedestrian design features.
- 10:30 AM 6. Update on Caltrans ADA Infrastructure Program: First Annual Report
Darold Heikens from the Caltrans ADA Infrastructure Program will present this item.
- 10:55 AM 7. Presentation and Comment on Proposed Shoulder on SR 1 along Planned California Coastal Trail in Marin and Sonoma Counties
Caltrans Division of Design staff will present this item for comment.
- 11:10 AM 8. Updates on Policies/Guidance/Issues Previously Presented:
 - California Highway Design Manual Draft II
 - California Manual on Uniform Traffic Control Devices
- 11:20 AM 9. Public Comment
- 11:25 AM 10. Topics for Next Meeting, Announcements and Information Sharing
