## CALTRANS ANNOUNCES FULL CLOSURE DUE TO CONSTRUCTION

**WHAT:** Full closure and detour of northbound Interstate 5 (I-5) traffic for bridge work in Fresno County.

**WHEN:** **NORTHBOUND (NB) DETOUR-BEGINS WEDNESDAY, OCTOBER 14<sup>TH</sup>**  
**DETOUR WILL BEGIN AT 11:00 p.m. and scheduled until 4:00 a.m. the following morning.**

**WHERE:** Fresno County; along I-5 between SR 33 and Manning Avenue

The California Department of Transportation (Caltrans) announces that traffic along northbound I-5 will be diverted at the State Route 33 interchange in order to safely implement bridge work at the Tumey Gulch Bridge located along northbound I-5 just south of Manning Avenue in Fresno County. In order to safely implement this project the Kamm Avenue on-ramp to northbound I-5 will also be closed to motorists.

Motorists will be directed to exit at State Route 33 and continue north to Manning Avenue; then west to access the Manning Avenue northbound on-ramp to I-5. This detour is approximately 22.6 miles in length. Motorists are advised to avoid the area or add additional time to their commute as this phase will be completed by 4:00 a.m. Thursday, October 15<sup>th</sup>.

Additional closures will be scheduled in the upcoming weeks in order to complete additional phases necessary to complete this improvement project. Advance signage is currently in place notifying motorists of full closure and upcoming detour.

Schedule is subject to change due to any unforeseen circumstances that may occur during construction; full freeway closure may be completed earlier or later than anticipated due to contractor operations.

Caltrans thanks motorists for their patience and reminds drivers to be “Work Zone Alert” as we work to complete improvement project. Please watch for construction personnel, follow detour signage **Slow for the Cone Zone** at all times.
