Date: Friday, October 24, 2014
District: 6 - Fresno
Contact: Gloria Rodriguez (559) 444-2409
Email: gloria.rodriguez@dot.ca.gov

CONSTRUCTION ALONG I-5 IN FRESNO COUNTY NEXT WEEK

WHAT: PAVING PROJECT ALONG NORTHBOUND INTERSTATE-5 (I-5) REQUIRES LANE CLOSURE.

WHEN: MONDAY, OCTOBER 27TH –TUESDAY, OCTOBER 28TH FROM 6:00 A.M. UNTIL 5:00 P.M. EACH DAY. (WEATHER PERMITTING)
MONDAY, NOVEMBER 3RD STRIPING OPERATIONS 6:00 A.M UNTIL 5:00 P.M.

WHERE: FRESNO COUNTY; ALONG NORTHBOUND I-5 WITHIN THE #2 LANE; TWO LOCATIONS: (1) NEAR MENDOTA FROM 1.3 MILES SOUTH OF KAMM AVENUE OVERCROSSING TO ONE-MILE NORTH OF THE PANOCHE JUNCTION; (2) 0.9 MILES SOUTH AND 0.7 MILES NORTH OF THE MANNING AVENUE OVERCROSSING.

The California Department of Transportation (Caltrans) announces **Granite Construction Co.** will conduct paving operations within the **northbound (NB)** number two (slow) lane of I-5 beginning next week, Monday, October 27th from 6:00 a.m. until 5:00 p.m. each day, Monday-Tuesday. On Monday, November 3rd, striping operations will take place to complete this project. **(Schedule or specific closures are subject to change due to weather or unforeseen circumstances which may occur during contractor operations.)**

Motorists will experience traffic delays along I-5 during this time as only the number one (fast) lane closest to the median will be accessible to motorists. On and off-ramps within the project limits will be intermittently closed; however, no two consecutive on or off-ramps will be closed at the same time. Motorists are encouraged to avoid this area or use an alternate route whenever possible.

Changeable message signs (CMS) will be activated south of the construction project in order to notify northbound motorists of construction operations and to expect delays within the project limits.

Caltrans would like to thank commuters for their patience during this construction project. The public is reminded to be alert for contractor and Caltrans personnel and to merge when directed to do so. The safety of our motorists' and work crew personnel is most important, therefore, please stay alert and "**Slow for the Cone Zone**" in all Construction Zones at all times.

For further information regarding this project, please contact the number listed above or follow us at www.facebook.com/caltrans.centralvalleydistrict6 or twitter at www.twitter.com/caltransdist6.
