CALTRANS ANNOUNCES NEW ROUNDBOAbout PROJECT BEGINS NEXT WEEK

WHAT: CONSTRUCTION OPERATIONS FOR FIRST ROUNDBOAbout IN DISTRICT 6

WHEN: MONDAY, JUNE 9TH BEGINNING AT 6:00 A.M. UNTIL 5:00 P.M. EACH DAY. (No weekends or evenings)

WHERE: FRESNO COUNTY; CITY OF KERMAN; STATE ROUTE 145 AND JENSEN AVENUE INTERSECTION.

The California Department of Transportation (Caltrans) announces that contractor; RSB Group, Inc. Lake Forest, CA will begin construction of our first roundabout project here in the Central Valley. Construction will take place at the intersection of State Route 145 and Jensen Avenue located just south of the City of Kerman in Fresno County.

In order to safely implement this project, construction operations will consist of the temporary closure of Jensen Avenue at/near the State Route 145 intersection. Motorists traveling either northbound or southbound along State Route 145 traffic will have access during construction; however, watch for flaggers and/or changing traffic patterns. The following detour will also be in place for motorists: (see map)

**Jensen Ave. Eastbound Detour:** Turn left onto Lassen Ave; continue northbound to SR 180; turn right on SR180; turn right onto Howard Ave. towards Jensen Ave.

**Jensen Ave. Westbound Detour:** Turn right onto Howard Ave; continue northbound to SR 180; turn left on SR180; turn left onto Lassen Ave towards Jensen Ave.

Portable changeable message signs and construction signage will be in place within the project limits advising motorists of local road closure and designated detour route. Motorists are advised to avoid the area, use an alternate route or allow additional time to their daily commute. (Schedule subject to change due to weather or any unforeseen circumstances which may occur during construction).

Caltrans would like to thank the residents, businesses and commuters for their patience during this improvement project. The public is reminded to drive with extra care while travelling through construction and maintenance projects at all times and to adhere to all posted signage. Please be alert for contractor and Caltrans personnel and please “Slow for the Cone Zone.”
