STATE ROUTE 178 OPEN IN KERN RIVER CANYON

WHAT: 2-LANES OF TRAFFIC NOW OPEN ON STATE ROUTE 178 IN KERN RIVER CANYON

WHEN: FRIDAY, AUGUST 30TH

WHERE: IN KERN COUNTY; IN THE KERN RIVER CANYON PORTION OF STATE ROUTE 178.

The California Department of Transportation (Caltrans) announces that it has opened 2-lanes of traffic on State Route (SR) 178 in the Kern River Canyon. This closure was due to a major Rock Slide in the Canyon last week.

Motorists may expect delays in this area during the holiday weekend and are encouraged to drive with caution and observe all signage through the canyon.

Due to ongoing repairs and clean-up activities, scheduled closures may continue after the Labor Day weekend.

Caltrans thanks the residents, businesses and commuters in Bakersfield and the Lake Isabella region for their patience during this exercise. The public is asked to drive with extra care while traveling through the construction area and please “**Slow for the Cone Zone.**”
