In order to safely implement this project the following on-ramps will be closed on Monday evening, June 23rd beginning at 10:00 p.m. until 6:00 a.m. the following morning in order to reduce commuter impacts to motorists during the morning or afternoon commute:

Caltrans would like to thank the local residents, businesses and commuters for their patience and reminds you to drive with extra care during all work zones. Please be alert and please **“Slow for the Cone Zone.”**
