FOR IMMEDIATE RELEASE

STATE ROUTE 190 AT ROAD 284 REVERSING LANE CLOSURES NEXT WEEK IN THE CITY OF PORTERVILLE

The Department of Transportation (Caltrans) in cooperation with Lee's Paving, Inc. announces reversing lane closures to take place next week on State Route (SR) 190 at Road 284 near the City of Porterville for the start of construction on the Reservation Road Roundabout.

The following lane closures will be in effect, weather permitting:

- One-way traffic control at the intersection of SR 190 and Road 284 beginning Monday, April 4th through Friday, April 8th from 7:00 a.m. to 5:00 p.m., each day. Traffic may experience delays of approximately 10 minutes during peak traffic times. Please remember that local businesses at this location will remain open during construction and access to driveways and local roads will be maintained.

Closures may continue for longer periods of time if necessary, due to delays caused by weather or uncontrollable events that may occur during road construction procedures. Motorists are encouraged to use alternate routes if possible.

Caltrans like to thank residents and commuters for their patience during this construction project and remember to please **"Slow for the Cone Zone."**
