STATE ROUTE 198 / 19TH AVENUE INTERCHANGE PROJECT CONSTRUCTION UPDATE

The California Department of Transportation (Caltrans) in cooperation with Granite Construction Inc. announces scheduled lane and ramp closures next week as construction continues on the State Route 198/19th Avenue Interchange Project in Lemoore within Kings County.

Lane closures next week will be as follows:

Eastbound and Westbound State Route 198 between State Route 41 and Avenue 18 ½ (Vine Street) will be reduced to one lane in each direction. This will be a 24 hour a day lane closure beginning, at 6:00 a.m. Monday Morning, June 23rd thru 12:00 noon on Thursday, July 3rd, 2014.

These closures may continue for longer periods of time if necessary, due to delays caused by weather or uncontrollable events that may occur during construction. Motorists may experience delays and are encouraged to take alternate routes whenever possible.

Caltrans would like to thank the residents, businesses and commuters for their patience during this improvement project. The public is asked to drive with extra care while traveling through the construction area and please
Slow of the Cone Zone.
