## TRAFFIC CONTROL ON SOUTHBOUND STATE ROUTE 41

The Department of Transportation (Caltrans) announces limited traffic control on Southbound State Route 41 from Children’s Boulevard, in Madera County to just south of the Audubon Drive overcrossing in Fresno County. Crews will be performing sign panel removal and replacement operations.

**State Route 41 will be reduced to one lane and limited traffic movement between Children’s Boulevard, in Madera County to just south of the Audubon Drive overcrossing in Fresno County on Tuesday, February 9th beginning at 12:00 a.m. (midnight) to 4:00 a.m.**

**Construction Crews and California Highway Patrol will be escorting traffic through the work area during the hours listed above with the use of a CHP pilot car and flagging personnel through the work zone. Commuters are reminded to obey flagging personnel and pay close attention to road signage and personnel at all times.**

During flagging operations, delays can last for up to 15 minutes. Commuters are encouraged to avoid this area during work hours and use alternate routes if possible. Closures may continue for longer periods of time if necessary, due to delays caused by uncontrollable events that may occur during construction.
