FOR IMMEDIATE RELEASE

ONE-WAY TRAFFIC CONTROL ON STATE ROUTE 58 IN KERN COUNTY NEXT WEEK

The Department of Transportation (Caltrans) announces one way traffic control next week on State Route 58 in Kern County from the San Luis Obispo county line to approximately 6 miles to the east. Crews will be performing culvert/channel cleaning and maintenance, weather permitting.

The following lane closure will take place next week:

State Route 58 will be reduced to one way traffic control between the San Luis Obispo county line to approximately 6 miles to the east beginning Monday, October 26th to Tuesday, October 27th from 8:00 a.m. to 2:00 p.m. each day and again on Thursday, October 29th to Friday, October 30th from 8:00 a.m. to 2:00 p.m. each day. Closures will not take place on Wednesday, October 28th.

Maintenance Crews will be conducting one way traffic control during this time with the use of flagging personnel and a pilot vehicle to escort traffic through the work zone. Commuters are reminded to obey flagging personnel, stay behind the pilot vehicle and pay close attention to road maintenance vehicle at all times in order to safely proceed through the work zone.

Motorists can expect delays and are encouraged to avoid this area during project work hours and use alternate routes if possible. Closures may continue for longer periods of time if necessary, due to delays caused by weather or uncontrollable events that may occur during maintenance.

Caltrans would like to thank residents and commuters for their patience during this improvement project. The public is asked to drive with extra care while travelling through the construction area and please
Be Work Zone Alert.
