MOONEY BOULEVARD LANE CLOSURES BEGIN

The California Department of Transportation (Caltrans) in cooperation with Teichert Construction announces the beginning of night-time lane closures during Stage 1A of the State Route 63-Mooney Boulevard 6-Lane Widening Project in the City of Visalia.

Construction of Stage 1A consists of the widening of southbound Mooney Boulevard on the west side from Meadow Avenue to Walnut Avenue. The construction of Stage 1A will continue through August 2008, this is the first of six stages throughout this project.

Night-time lane closures will continue for sidewalk and asphalt removal and reconstruction. Night-time lane closures will be as follows:

7:00 p.m. to 6:00 a.m. nightly, beginning Sunday evening and ending Friday morning of each week. There will be no lane closures on Friday or Saturday evenings.

Sidewalks located in this area will be closed and city bus stops located between Meadow and Walnut have been temporarily relocated to nearby side streets. For more information regarding City bus routes, please contact the Visalia City Coach office at 713-4750 or visit them on the web at www.ridevcc.com

Please remember that local businesses located on Mooney Boulevard will remain open during construction and access to driveways will be maintained, so please continue your patronage.

Caltrans would like to thank the residents and commuters for their patience during this improvement project. The public is asked to drive with extra care while traveling through the construction area and please **Slow of the Cone Zone**.

For updates and information regarding lane closures, commuter alerts and construction schedules during the length of this construction project, you can call 1-866-740-9230. or visit the Caltrans District 6 website, at www.dot.ca.gov/dist6 and click on the Mooney Blvd logo.
