## CALTRANS ANNOUNCES FULL CLOSURE DUE TO CONSTRUCTION

**WHAT:** Full closure and detour of northbound and southbound State Route (SR) 99 traffic for Avenue 12 Interchange project in Madera County.

**WHEN:** **NORTHBOUND (NB) DETOUR-BEGINS SUNDAY, SEPTEMBER 27<sup>TH</sup>**  
**SOUTHBOUND (SB) DETOUR-BEGINS MONDAY, SEPTEMBER 28<sup>TH</sup>**

**EACH DETOUR WILL BEGIN AT 11:00 p.m. and continue until 5:00 a.m. the following morning.**

**WHERE:** Madera County; along SR 99 between Avenue 9 and Avenue 12 Interchange.

The California Department of Transportation (Caltrans) announces that traffic along State Route (SR) 99 will be diverted to or from the Avenue 9 interchange in order for **Contractor, Security Paving** to safely implement false work removal for the Avenue 12 Interchange improvement project currently in construction. Advance signage is currently in place in both directions and motorists are advised to use an alternate route or add additional time to their commute.

Schedule is subject to change due to any unforeseen circumstances that may occur before/during construction; full freeway closures may be completed earlier or later than anticipated based on contractor operations.

**On Tuesday, September 29, the contractor may implement either a northbound or southbound detour beginning at 11:00 p.m. should additional work become necessary to complete this phase of the project. The California Highway Patrol (CHP) will be present to provide extra support for traffic control.**

Caltrans and Security Paving thank motorists for their patience and reminds drivers to be "Work Zone Alert" as we work to complete this phase of the project. Please watch for construction personnel, follow detour signage and be alert for equipment in the work zone.
