CALTRANS ANNOUNCES EMERGENCY LANE CLOSURE ON STATE ROUTE 99 WITHIN THE CITY OF MADERA TONIGHT

WHAT: AT&T ISSUED EMERGENCY PERMIT DUE TO WIRE THEFT

WHEN: TONIGHT, MONDAY, JULY 1ST FROM 6:00 P.M. UNTIL 6:00 A.M. TOMORROW MORNING, JULY 2ND.

WHERE: CITY OF MADERA; JUST NORTH OF AVENUE 16 OVERCROSSING

The California Department of Transportation (Caltrans) announces that AT&T has requested to implement an emergency repair project due to recent wire thefts of electrical systems along northbound State Route (SR) 99 just north of Avenue 16 in Madera County beginning tonight at 6:00 p.m. In order to safely implement system repairs, a complete closure of the number two lane (closest to the shoulder) will be required from 6:00 p.m. until 6:00 a.m. tomorrow morning.

Motorists will experience delays within this two lane section of highway during this time and are advised to use an alternate route or avoid this area. (Schedule subject to change due to unforeseen circumstances).

Caltrans would like to thank the residents and commuters for their patience during this AT&T emergency project. Please drive carefully, merge when directed to do so; watch for repair personnel and adhere to all construction signage at all times.

For further information regarding this project, please contact the District 6 Public Information Office at the number listed above.
