FOR IMMEDIATE RELEASE

STATE ROUTE 99 NIGHTTIME LANE CLOSURES BEGIN SUNDAY IN TULARE COUNTY

The Department of Transportation (Caltrans) announces night-time lane closures on State Route (SR) 99 between Avenue 272 and Aviation Way near the City of Visalia as part of construction on the Tulare to Goshen Widening Project.

The following lane closures will be in effect, weather permitting:

- The mainline (right lane) will be closed on both Northbound and Southbound SR 99 from just south of Avenue 272 to approximately Aviation Way. The closure is set to begin Sunday, May 22nd from 10 p.m. to 6 a.m.
- Closures will continue in this area on a nightly basis, starting Tuesday, May 24th through Friday, May 27th, with the mainline (right lane) on both Northbound and Southbound SR 99 closed from just south of Avenue 272 to Aviation Way between the hours of 7 p.m. and 6 a.m.

State Route 99 will be reduced to one lane in this area during work hours. Motorists can expect delays and are encouraged to take an alternate route if possible. Closures may continue for longer periods of time if necessary, due to delays caused by weather or uncontrollable events that may occur during road construction procedures.

Caltrans like to thank residents and commuters for their patience during this construction project and remember to please **“Slow for the Cone Zone.”**
