FOR IMMEDIATE RELEASE

## CALTRANS ANNOUNCES EXTENDED CLOSURE OF ROAD 29 NORTH IN MADERA COUNTY

The Department of Transportation (Caltrans) and Security Paving, Inc. announce an extended closure of county Road 29 North as part of the on-going **State Route 99 Avenue 12 Interchange Improvement Project**. This extended road closure is necessary to allow crews to construct irrigation pipelines and culverts across existing Road 29 North and to complete the new realignment of this roadway with its new connection to Avenue 12, located just east of State Route 99.

**Existing Road 29 North will be closed to traffic beginning, Wednesday October 30, 2013; until January 2, 2014.**

### Suggested Detour: (See attached Map)

- **From Avenue 12 Westbound:** Continue westbound on Avenue 12; proceed to State Route 145/Road 27; turn right; continue and turn right onto E Pecan/Avenue 13; continue eastbound towards Road 29.
- **From Avenue 12 Eastbound:** Turn left onto State Route 145/Road 27; continue and turn right onto E. Pecan/Avenue 13; continue eastbound towards Road 29.

**Extended closures are subject to change and may continue for longer periods of time if necessary due to delays caused by unforeseen weather conditions, or uncontrollable events which may occur during construction.**

Caltrans would like to thank the residents, businesses and commuters for their continued patience during this improvement project. The public is asked to drive with extra care while traveling through this construction area, and please **“Slow for the Cone Zone” at all times.**
