FOR IMMEDIATE RELEASE

CALTRANS ANNOUNCES EXTENDED CLOSURE OF ROAD 29 SOUTH IN MADERA COUNTY

The Department of Transportation (Caltrans) and Security Paving, Inc. announce an extended closure of county Road 29 south, located just south of the Avenue 12 Interchange as part of the on-going **State Route 99 Avenue 12 Interchange Improvement Project**. This extended road closure is necessary to allow crews to continue project related improvements south of the Avenue 12.

Existing Road 29 (South of the interchange) is currently closed to traffic until January 2, 2014.

Suggested Detour: (See attached Map)

- **From Avenue 12 Westbound:** Continue westbound on Avenue 12; proceed to State Route 145/Road 27; turn left; continue and turn right onto Avenue 11; continue eastbound towards Road 29.
- **From Avenue 12 Eastbound:** Turn right onto State Route 145/Road 27; continue and turn left onto Avenue 11; continue eastbound towards Road 29.

Extended closures are subject to change and may continue for longer periods of time if necessary due to delays caused by unforeseen weather conditions, or uncontrollable events which may occur during construction.

Caltrans would like to thank the residents, businesses and commuters for their continued patience during this improvement project. The public is asked to drive with extra care while traveling through this construction area, and please **"Slow for the Cone Zone" at all times.**
