CALTRANS ADVISES TO EXPECT DELAYS ALONG NORTHBOUND 99 TONIGHT

WHAT: SLAB REPAIR PROJECT ALONG NORTHBOUND 99 REQUIRES LANE CLOSURES

WHEN: TONIGHT, FRIDAY, FEB 13TH, 10:00 P.M. UNTIL 5:00 A.M. SATURDAY MORNING

WHERE: CITY OF FRESNO; NORTHBOUND 99 FROM FRESNO STREET TO JUST SOUTH OF BELMONT AVENUE NEAR RXR OVERCROSSING.

The California Department of Transportation (Caltrans) announces maintenance personnel will conduct an emergency slab repair within the **northbound (NB)** number two (middle) lane of State Route (SR) 99 this evening beginning at 10:00 p.m. In order to safely complete this project, the number one (fast) lane and median will also be closed. **(Schedule or specific lane closures are subject to change due to unforeseen circumstances which may occur during maintenance operations.)**

Traffic delays are expected along northbound SR99 during this time as only ONE LANE, or the number three (slow) lane, closest to the right shoulder will be accessible to motorists within the work zone. It is anticipated that on and off-ramps within the project limits will remain open. Motorists are encouraged to avoid the area or use an alternate route whenever possible.

In partnership with the California Highway Patrol (CHP), CHP enforcement will be present to provide extra support for traffic control. Permanent and portable changeable message signs (CMS) will be activated south of the project limits notifying motorists to expect delays.

Caltrans would like to thank motorists for their patience during this emergency project. The public is reminded to be alert for Caltrans personnel and to merge when directed to do so. The safety of our motorists' and work crew personnel is most important, therefore, please stay alert and "**Slow for the Cone Zone**" in all Construction and Maintenance Zones at all times.

For further information regarding this project, please contact the number listed above or follow us at www.facebook.com/caltrans.centralvalleydistrict6 or twitter at www.twitter.com/caltransdist6.
