CALTRANS ADVISES LANE CLOSURES NEXT WEEK ALONG NORTHBOUND AND SOUTHBOUND STATE ROUTE 99

WHAT: CONCRETE SLAB REPAIR PROJECT ALONG NORTHBOUND AND SOUTHBOUND 99 REQUIRES LANE CLOSURES.

WHEN: NEXT WEEK, BEGINNING MONDAY, MAY 11TH THRU THURSDAY, MAY 14TH BETWEEN 7:00 P.M. AND 6:00 A.M. EACH NIGHT

WHERE: CITY OF FRESNO; NORTHBOUND AND SOUTHBOUND 99 FROM VENTURA STREET TO ASHLAN AVENUE OVERCROSSING.

The California Department of Transportation (Caltrans) announces construction personnel will conduct concrete slab repair operations alternating between the northbound and southbound lanes of State Route (SR) 99 next week beginning Monday night, May 11th through Thursday night, May 14th, between 7:00 p.m. until 6:00 a.m. the following morning each night. In order to safely complete this project, the median will also be closed to motorists. (Schedule or specific lane closures are subject to change due to unforeseen circumstances which may occur during construction operations.)

Traffic delays may occur along northbound and southbound SR99 during this time and it is anticipated that on and off-ramps within the project limits will remain open. Motorists are encouraged to avoid the area or use an alternate route whenever possible.

Portable changeable message signs will be activated to the north and south of the project limits notifying motorists of lane closures in order for motorists to merge accordingly.

Caltrans would like to thank motorists for their patience during this improvement project. The public is reminded to be alert for Caltrans personnel and to merge when directed to do so. The safety of our motorists' and work crew personnel is most important, therefore, please stay work zone alert and "**Slow for the Cone Zone**" in all Construction and Maintenance Zones at all times.

For further information regarding this project, please contact the number listed above.
