Improve Mobility and Livability  
Ride Your Bike to Work  
California Bike Commute Week  
May 17-21

In support of Bike Commute Week, Caltrans District 9 encourages members of the traveling public to ride their bike to work. Cycling is an environmentally friendly transportation option, helping to keep the air clean and our bodies healthy.

Caltrans District 9 Director Tom Hallenbeck and Caltrans employees invite you to join with them for a fun and healthy Bike Commute Week.
