

Chapter 5 **List of Preparers**

This Environmental Assessment/Environmental Impact Report was prepared by the Central Region of the California Department of Transportation (Caltrans). The following Caltrans staff prepared this document:

Caltrans Advisory Team

Kathryn Boltz, Research Writer. B.A. Sociology, Ohio State University; 16 years writing experience. Contribution: Edited EA/DEIR.

Bart Dela Cruz, Senior Transportation Engineer, P.E., Central Region Project Development; B.S. Civil Engineering, CSU, Chico; 3 years Design Branch Manager; Chief, Design Branch J.

Mike Donahue, Senior Environmental Planner. B.A., Geography, California State University, Fresno; 29 years urban and environmental planning experience.

Nancy Escallier, B.S., Agricultural Economics, University of California at Davis. 15 years Right-of-way experience.

Lynn Faraone, Senior Environmental Planner. M.A./B.A., Anthropology, San Francisco State University, Fresno; 31 years California archaeology and cultural resources management experience.

David Grah, Deputy District Director for Maintenance and Operations, Bachelors of Science in Civil Engineering, California State University Chico, 21 years civil engineering and management experience.

Brad Mettam, Senior Transportation Planner. 15 years experience in transportation and land use planning.

Jane Sellers, Research Writer. B.A., Journalism, California State University, Fresno; 15 years writing experience. Contribution: Edited EA/DEIR.

Technical Assistance Personnel

Truman P. Denio, PE; BS degree in Civil Engineering, U C Davis 1979; Registered Civil Engineer in 1982; 24 years experience in civil engineering public works projects including 13 years Hydrology / Hydraulics.

Jim Fisher, Associate Environmental Planner, Architectural Historian. B.A. in History, Sacramento State University, Sacramento; M.A. History, Sacramento State University, Sacramento; Ph.D. History, State University of New York, Stony Brook. 9 years with Caltrans working in cultural resources survey and Section 106 compliance; twenty years of teaching U.S. and California history at the college level; and 3 years as a State Historian in the California Office of Historic Preservation.

Bart D. Godett, Transportation Engineer. B.S. Civil Engineering (Public Works) Cal Poly San Luis Obispo; 5 years engineering with Caltrans, 12 years with Inyo County experience.

Christopher Alan Hoadley, Associate Engineering Geologist, U.S. Registered Geologist in California, BS from Sonoma State University, 14 years EG experience, 5 years independent subsurface exploration.

Timothy Keefe, Associate Environmental Planner-Archaeology. B.A. in Anthropology from the University of Massachusetts at Amherst, 15 years of Archaeological experience working on Federal and State projects.

Jim Kemp, Transportation Engineer, Environmental Engineering Unit

Anmarie Medin, Associate Environmental Planner (Historical Archaeologist). M.A., Cultural Resources Management, Sonoma State University; 13 years experience.

R Steve Miller, District Landscape Architect. Bachelors of Landscape Architecture, 1975 University of Idaho in Moscow, Idaho. Registered to practice in California since 1987.

Tom Mills, Associate EP-Archaeology. MA in Anthropology, Cal State University, Sacramento, 7 years experience in California Archaeology

Craig Olofson, Associate Environmental Planner (Natural Sciences). B.S. Double major Wildlife Management & Natural Resources, Humboldt State University, 15 years experience doing field biology throughout California.

Wendy Philpott, Associate Environmental Planner (Natural Sciences). B.A. Applied Biology, California State University Fresno; 16 years biology experience.

John Sharp, Associate Environmental Planner (Archaeology). MA, in CRM from SSU; RPA (Registered Professional Archaeologist); 11 years of professional experience, all of which is in California.

Panchanatham N. Sundaram, Graduated in civil engineering in India (B.E). M.E. and Ph.D, Berkeley. Has total of 10 years of teaching experience, especially in geotechnical engineering. Design experience with Bechtel for 15 years. With Caltrans, five years.

Juan Torres, Associate Environmental Planner. B.A., Environmental Studies, University of the Pacific, Stockton; 4 years environmental planning experience.

Brian Wickstrom, Associate Environmental Planner (Archaeologist). Cultural Resources Management (1986), Sonoma State University, 26 years experience in the archaeology of northern, central, and eastern California.
