December 31, 2013

Mr. Michael Cohen, Director
Department of Finance
State Capitol, Room 1145
Sacramento, CA 95814

Dear Mr. Cohen:

California's Government Code Section 16724.4, requires the lead California State agency administering any State bond measure approved after January 1, 2004, to provide an annual report to the California State Legislature with a list of projects funded from bond proceeds. The list is to identify the geographic location, the amount of funds allocated, and the status of each project.

The California Department of Transportation (Caltrans) is the administering agency for the Proposition 1B Public Transportation Modernization, Improvement, and Service Enhancement Account (PTMISEA). The PTMISEA is a $4 billion program which includes $400 million allocated to Caltrans for Intercity Rail and $3.6 billion to be allocated to regional agencies and transit operators for transit systems. The full $400 million (less administrative costs) from the PTMISEA has been committed to Intercity Rail projects that commenced construction or procurement activities between August 2008 and December 2012. A total of approximately $2.45 billion has been allocated to regional agencies and transit operators for projects or activities that are currently underway.

Sincerely,

MALCOLM DOUGHERTY
Director

CALIFORNIA DEPARTMENT OF TRANSPORTATION

Annual Legislative Report
Fiscal Year 2012-13

Public Transportation Modernization, Improvement, and Service Enhancement Account Program

Background

The Public Transportation Modernization, Improvement, and Service Enhancement Account (PTMISEA) Program was created by the passage of Proposition 1B, the Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006. Of the $19.925 billion available to transportation, $4 billion dollars was allocated to the California Department of Transportation (Caltrans) for intercity rail projects and for commuter or urban rail operators, bus operators, waterborne transit operators, or other transit operators in California. The PTMISEA Program provides funding for rehabilitation, safety or modernization improvements, capital service enhancements or expansions, new capital projects, bus rapid transit improvements, or for rolling stock procurement, rehabilitation, or replacement, over a ten-year period.

General obligation bond law requires the administrative agency to submit a report to the California State Legislature no later than January 1st each year. This requirement is found in California Government Code section 16724.4. In addition, this section states that the report shall contain:

(1) A list of all projects and their geographical location that have been funded or are required or authorized to receive funds.
(2) The amount of funds allocated on each project.
(3) The status of any project required or authorized to be funded.

Caltrans has established the Proposition 1B Bond Accountability website and has posted this information related to each project. Caltrans administered programs can be accessed from the Intercity Rail Improvement (IRI) and the PTMISEA links at this address: www.bondaccountability.dot.ca.gov/bondacc/

Mass Transportation Program Proposition 1B Bond Fund

Of the $4 billion available in PTMISEA, $3.6 billion is to be allocated to transit operators over a ten-year period. The PTMISEA Program was designed to help advance the State's policy goals of providing mobility choices for all residents, reducing congestion, and protecting the environment. Guidelines for the PTMISEA Program were developed through a cooperative effort with stakeholders. Eligible transit projects include:

- Rehabilitation, safety, or modernization improvements.
- Capital service enhancements or expansions.
- New capital projects.
- Bus rapid transit improvement.
- Rolling stock procurement, rehabilitation, or replacement.

Status

To date, the Program has released $2.447 billion for over 900 projects. The following is a breakdown by Fiscal Year (FY):

FY 2007-08

Cycle	Number of Projects Receiving Allocations	Funds Released
Cycle 1	106	$394 Million
Cycle 2	99	$136 Million
Total for FY 2007-08	**205**	**$530 Million**

FY 2008-09

Cycle	Number of Projects Receiving Allocations**	Funds Released
Cycle 1	107	$255 Million
Cycle 2	111	$64 Million
Total for FY 2008-09	**218**	**$319 Million**

FY 2009-10

Cycle	Number of Projects Receiving Allocations**	Funds Released
Cycle 1	130	$78 Million
Cycle 2	138	$214 Million
Total for FY 2009-10	**268**	**$292 Million**

FY 2010-11*

Cycle	Number of Projects Receiving Allocations**	Funds Released
Cycle 1	83	$203 Million
Cycle 1	14	$203 million
Cycle 2	78	$350 Million
Cycle 2	72	$301 million
Cycle 3	127	$249 million
Total for FY 2010-11	**374**	**$1.306 Billion**

*The FY 2010–11 appropriation was intended to cover three years of funding. There were no additional appropriations of PTMISEA funds in the FY 2011–12 or FY 2012–13 Budgets.
**Some allocations were made to existing projects. The total number of PTMISEA projects funded to date is lower than the total sum of each cycle's number of projects receiving allocations.

Currently there are 73 ready-to-proceed projects requesting $211 million waiting to be funded by future bond sales.

Attachment 2 lists all local transit projects that have received an allocation of funds and the reported percentage complete is also reflected.

The following table illustrates the current totals for percentage complete:

Percent Complete	Count	Percentage of Count
100%	393	43%
75-99%	98	11%
50-74%	60	7%
Less than 50%	354	39%
Total	905	100%

Intercity Rail Improvement Program (IRI) Proposition 1B Bond Fund

The IRI is a $400 million element of the $4 billion PTMISEA. At the IRI December 2007 meeting, the California Transportation Commission (Commission) approved the guidelines for intercity passenger rail projects in the PTMISEA, and at its February 2008 meeting, the Commission approved the list of Proposition 1B intercity rail projects to be funded. The IRI has been amended: August 2008, November 2010, January 2011, March 2011, June 2011, November 2011, and March 2012. Specific to the IRI, a minimum of $125 million is designated for procurement of additional intercity passenger railcars and locomotives. The IRI has programmed $150M towards the procurement of new railcars and locomotives.

For fiscal year 2012–13, the Proposition 1B IRI consisted of sixteen projects: nine projects are fully allocated, two projects are partially allocated, and five projects are unallocated. Approximately forty-eight percent of the total bond funding for the IRP is allocated.

Fiscal Year 2012–13 Year End Project Status:

California Department of Transportation

Proposition 1B–Intercity Rail Improvement Program (IRI)
