RE: Affordable Sales Program: SR-710 Home Sales

Dear Mr. Green:

The City of South Pasadena appreciates the opportunity to review and comment on the proposed rules and regulations for the Affordable Sales Program. We strongly support Caltrans's goal of maximizing transportation system performance and accessibility and dedication to effective communication, collaboration and partnership.

The City of South Pasadena is excited for the release of surplus properties and the opportunity to upgrade and expand the supply of housing available within our jurisdiction. Given the importance of these properties, it is imperative that the regulations governing their release are equitable and effective. Unfortunately, the public comment period is currently scheduled to end on July 14th while the public hearings are not scheduled until July 15th and 17th. The public hearings may provide insight that would allow the City of South Pasadena to provide a more thorough evaluation.

In light of these concerns, the City of South Pasadena would like to request a 45-day extension of the public comment period.

If you have any questions or comments please feel free to contact me at sgonzalez@southpasadenaca.gov or (626)403-7210.

Sincerely,

Sergio Gonzalez
City Manager
