Dear Brent Green,

I currently rent an apartment in South Pasadena I wanted to inquire of the sale of property.

I know my building is in Phase I, is it being sold as a single property or group together with other properties? Have you decided on the process yet? Will the potential buyers, want to walk through and survey the inside of each apartment?

What happens if the property doesn't sale? How much notice will I receive before I will need to move out?

Will I get the opportunity to buy a house that perhaps the renters, is not able to purchase?

If you have any questions, please contact me via email at  or home address. Thank you for extending the deadline to ask questions.

Sincerely,

Elizabeth Kent
