Dear Mr. Green,

My name is Marilyn Shatz, I have been a twenty year resident of the property at [REDACTED]

I wish to comment on the need for the regulations to honor the Americans with Disabilities Act in creating the regulations for the sale of the homes.

I am a disabled senior and due to this will need additional time to respond to the offer for buying the home. In general, it takes me longer to accomplish tasks, your consideration in this regard will be greatly appreciated.

Thanks

Marilyn Shatz
