DIVISION CHIEF

April 17, 2016

To Jennifer Slowden,

Division Chief right away and land surveys. I am a tenant in the El Serno property rental. After opening my packet from Cal-trans I find that I need an explaintion to understand what is really goinging on with the ~~[illegible]~~ package that was sent out; and I would appreciate if you and your staff will give more time to us because there are more individuals that also do not understand. What is being said to us. So we would like for you to give us at least 60 more days.
