Hello,

My name is Marilyn Rose Velasquez and I am a tenant at [REDACTED]. We have been renting from Caltrans for over 15 years. We received a notice today about the affordable sales program. It states if we are interested to contact u via email. We are interested and would like for someone to contact us with more information. The best contact number for me is my cell at [REDACTED] or my husband Fernando Rodriguez on his cell at [REDACTED].

Thank you,
